

The Art Studies and Studio Management team has been working very hard to bring you a wide variety of classes for the coming year.

NEW RULES

You must live in Laguna Woods and be a member of LWAA to take a class. If you are not a member, the supervisor will help you register. If you don't live here, we are sorry.

Because we have so many new members we want to give as many association members as possible the opportunity to take classes. The class maximum is 25 students unless the instructor requires a smaller number.

Therefore, you **must sign-up** on the signup sheet located in the folder rack for the class/es you want to take

DO NOT SIGN UP FOR more than 2 classes – please signify your 1st and 2nd choice. After the 2 classes you may sign up on the waiting list with a 3rd choice in case the class does not fill.

Please print your name and email clearly on the sign-up sheet because you will be notified of the classes where you are accepted.

Please remember that everyone who is teaching is a volunteer. If there is a problem, please speak with the supervisor or email Ellen at ellenzimmet@earthlink.net

We need teachers: **If you have a special interest or technique**, that you would be willing to share for one to 4 weeks or less, please email Ellen at ellenzimmet@earthlink.net to help you set up a program.

Please know that teaching adults is a lot more rewarding than teaching the K-12 crew. You will get lots of positive feedback and make many new friends.
