## ***Word from the Wise:***

***“It’s unwise to pay too much, but it’s unwise to pay too little. When you pay too much you lose a little money, that is all. When you pay too little, you sometimes lose everything, because the thing you bought was incapable of doing the thing you bought it to do. The common law of business balance prohibits paying a little and getting a lot — it can’t be done. If you deal with the lowest bidder, it’s well to add something for the risk you run. And if you do that, you will have enough to pay for something better.”***

— JOHN RUSKIN, 1819 ~ 1900

***“God gave us two ends, one to sit on and one to think with. It depends on which one you choose in your success.”***

This is our 42nd Annual Gaited Horse & Mule Sale. 42 years is a long time. I do not want to take credit for all of this. We had many great people over the 42 years helping on this sale from all around the Big Horn Basin. It was called Big Horn Basin Foxtrotter Club when it first started. They also had a show the day before the sale.

Since then we have changed it to Wyoming All Breed Gaited Horse & Mule Sale. I personally would like to Thank All of the people who started this sale and ran it for all those years. It could not have been done without them.

Also, I would like to Thank All of the consignors and the buyers for the last 42 years. It's been great and hopefully many more to come.

Sincerely,  
Scott Heny
