

No!

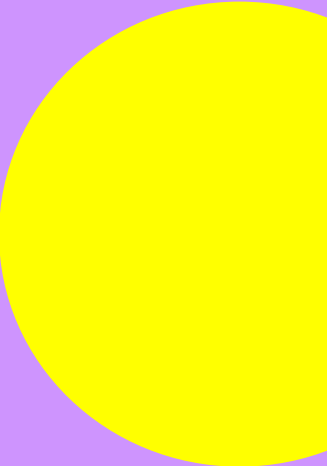

**There's a time to say yes,
There's a time to say so,
There's a time to say maybe,
There's a time to say no.**

**You must know when,
And what to say,
It'll help you in life,
Every single day.**

There's a time to say yes....

**You say 'no' to haram,
And yes to what's right,
Then it'll help you,
Come close to the light.**

There's a time to say yes ...

You'll see much wrong,

As you grow,

You must refuse,

You must say no.

There's a time to say yes....

To get close to Allah,

Avoid what's wrong,

Whether it's Gheebat,

Or latest songs.

There's a time to say yes....

Now that you've learnt,

I want you to go,

And tell everybody,

When to say no.
