COVID-19 effects on donations

Because we have increased our resource center hours and started street outreach, we have had to prioritize staff time and storage space. As a result we are unable to accept clothing donations and most perishable food. If we have a specific clothing need, we will ask via social media or on our Amazon wish list: <https://a.co/dVwrZ5M> We are also limiting the food we provide to commercially prepared, single-serving items only. We hope you understand and know that we do appreciate your generosity. Thank you!
