THE PENN STATE HAZLETON LAUNCHBOX

has teamed up with the Downtown Hazleton Alliance for Progress and other members of The Hazleton Innovation Collaborative (THInC) to offer an engaging evening program designed to inspire youth with the skills and mindset needed to transform ideas into action. During this program, participating teams and individuals will: explore their passions and identify problems in the community, discover personal strengths and limitations, develop business ideas, and learn how to articulate and act on them.

This publication is available in alternative media on request. Penn State is an equal opportunity, affirmative action employer, and is committed to providing employment opportunities to all qualified applicants without regard to race, color, religion, age, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.
