

CAMP NEWS

The camp board is working on getting bids for the swimming pool repairs. Some donations are coming in for the pool repair. If you know someone that would like to donate to the pool repairs ask them to send donation to the camp.

Registrations are coming in for this years summer camp sessions. If you know of a blind youth that would like to come to one of the camping session let

Let the camp know.

We are starting a new leadership program for blind Teens this year in corporation with the Vocational Rehabilitation Department for the State of Georgia. These teens will learn how to transition from where they are at the present time to more development of their abilities to be more mobile and do different activities that will enhance their lives. We have hired a coordinator for this program and He is Planning a very successful 8 week session this summer. Go to the Georgia Lions Camp website to learn more about this program.

We had a successful work day on the 8th of April with some 12 people showing up to work at repairing different things at the camp. Another workday will be held in May. Go to the website and checkout the new web pages and let us know how we can better improve it. We are thankful for the work that Kevin Walsh did as He redid the website. Kevin is from the Covington Lions Club.

We want to thank all those that have contributed money to the camp this year. If you or your club has not contributed please consider helping your camp cover the expenses.

We are working on hiring an Executive Director for the camp to help with the activities and fund raising for the camp.

Thanks for your support of the camp, Olin Newby
