

## Private Lesson Policies

### NEW Student Registration

A one-time nonrefundable registration fee of \$30 per family is assessed before lessons commence. The registration fee accompanied with a completed and signed enrollment form secures the student's ongoing lesson appointment. When beginning lessons, your lesson appointment can be reserved for a maximum of one month ahead, held with a nonrefundable deposit of your first month's tuition. Without this deposit, you risk losing your lesson slot to another student.

### Monthly Even-Pay Tuition

Monthly even-pay tuition rates are based on a 30-minute lesson given once per week in accordance with the instructors' academic calendar, which averages four lessons per month. Even-payment rates are figured by dividing the instructors' school-year tuition into equal monthly payments based on the 2-semester academic year (July-December and January-June). Monthly even-pay tuition is due by the first lesson of each month, payable in cash, or credit/debit (in store, by phone, or via AutoPay). **Tuition payments are considered late when received after the 15<sup>th</sup> of the month and a \$15 late fee is assessed.** This fee is to help ensure instructors are paid in a timely manner and to avoid additional administrative expenses. Tuition is the same each month, and is *not* prorated under any circumstances; however, we will offer makeup lessons if need be (see "Make-up Lessons section). Late registrations (within 48 hours) may be subject to a late fee of \$25.00.

### Student Performance Opportunities

In a non-COVID year, students are encouraged to participate in at least two performance opportunities each year. Annual performance opportunities may include Sundaes on Saturday, Scale-A-Thon, student recitals (in December and May), Festival, Conservatory/Gold Cup Recital, Big Shanty Festival, Friday Night Kickback, and Chapel. While some events are free, some carry a nominal participation fee to cover costs. This year, we're hosting 2 "drive-in" recitals and Festival; students are not required, but encouraged to participate. Teachers can offer their own in-person or Zoom recitals as well at their discretion. Please see the Upcoming Events link on our website for the calendar and dates associated with the above events.

### Instructor's Schedule/Holidays

Private instructors establish their own schedule and calendar of teaching dates, averaging four lessons a month. Please check with your instructor or in our store for their schedule. No lessons will be granted and no make-up lessons honored during the holidays that The Harmony House is closed, as listed on our website: [www.theharmonyhouse.net](http://www.theharmonyhouse.net).

### Monthly Commitment

Instruction at The Harmony House involves a month-to-month commitment (no contract). Tuition reimbursements are not given for unused regular or make-up lessons within the current month. Studio assignments may change over time, usually due to lengths of teaching blocks of our instructors or changing needs of our instructors and students. If, for any reason, you decide to discontinue lessons, please offer the instructor and student the opportunity to have "closure" and to say goodbye. Students and instructors often form a tight emotional connection, so closure is important. **There is no reimbursement for unused lessons in the month of termination**, therefore it is recommended that the student complete the month with his or her current instructor and transition in the subsequent month.

### Schedule Conflicts/Make-up Lessons

Please give the instructor a **24-hour notice** when canceling a lesson by calling them directly; this is considered an "excused absence." Lessons may be made up during a time that is agreeable to both parties, or two 45-minute lessons or one 60-minute lesson will be granted to make up for this absence. **Two** make-up lessons per semester are honored for the following reasons: illness, funeral, school performance/open house, or planned family vacation. No tuition reimbursement is granted for unused make-up lessons. Tuition must be current before makeup lessons will be honored. Make-up lessons do not carry over from one semester to the next. A **"no show"** is considered an unexcused absence. No make-up lesson will be offered and no credit is given for unexcused absences. Two consecutive "no shows" without communicating with your instructor may result in removal from the schedule without notice or refund of tuition. In the event of **instructor schedule conflict or illness**, the lesson may be made up at a time agreeable to both parties or two 45-minute lessons/one 60-minute lesson may be scheduled. No make-up lessons are offered for a holiday (when The Harmony House is closed) and/or when the instructor has indicated the date is a holiday (see their academic calendar). **As the instructors handle their own teaching and make-up schedules, please consult your instructor's calendar and consult directly regarding the need for a make-up lesson.**

### Punctuality

To be fair to the time commitments of our instructors and their students/families, each lesson begins on time and ends on time. No extensions will be given or make-up lessons granted for students who are late for their lesson or group class.

## Lapse in Payments

A lapse in your monthly tuition payment forfeits your lesson time from being held for you. Thus, your lesson time will be opened up for another student on an ongoing basis. Please make plans to continue making your monthly payment(s) if you wish to take a break from lessons and still have your lesson time held for you upon your return.

## Semester Lessons

We divide the school year into 2 semesters: July-December and January-June. Per instructor participation, you can opt to pay by the semester and receive a \$40 discount off of the total tuition amount. To hold your spot over the summer/in August, please plan to commit to at least 6 lessons throughout June and July. Teachers may choose to offer 6 lessons instead of 8 across June and July, and tuition will be adjusted accordingly; please consult with your child's teacher in regards to their teaching plan for the summer, and schedule with them accordingly,

## AutoPay

An AutoPay option is available at no additional charge by simply filling out the AutoPay form in the store. AutoPays are deducted on the first of the month from the credit or debit card you specify. Card information is kept secure and is not shared. There is a \$15.00 nonprocessing fee for cards that are declined for payment.

## Transition

The instructor reserves the right to discontinue lessons for any reason, including (but not limited to) when a student is repeatedly unprepared for lessons. A student may be transitioned to another instructor, with the anticipation that a fresh start and a different approach will encourage preparedness. change over time, usually due to lengths of teaching blocks of our instructors or changing needs of our instructors and students. If, for any reason, you or your child would like to transition to another instructor, please notify Monica ([monica@theharmonyhouse.net](mailto:monica@theharmonyhouse.net)) to request a transfer.
