I started carving Ice at the age of 19 at Mastro Ice in Pittsburgh, Pennsylvania. I worked as contract Sculptor for over 20 years with Them. My wife started Sub Zero “hand crafted” Ice Sculptures In Youngstown, Ohio and we both sculpt. I was a board member of National Ice Carving Association and long time member and Competed for many years on the National Circuit winning medals And awards. In 2011 we traveled to Alaska for the World Ice Art Championships, I was on team California and we placed Fifth. Over the past 10 years, I've made 7 trips to the event with different Teams. We have won 2 peoples choices, 2 Third Places and Bronze Medals, and the past two years, I've been on 2 different World Champion Teams winning First Place and Gold Medals. I'm going to carve as long as my body holds up, but I will always be part of the Ice World.
