In studying the Ancient Site of Lalibela, one was struck with how the Inhabitants of this Amazing Christian Church Complex have 2 particular Aspects about the Sacred Site. They presume to understand and accept that the Churches that are carved-out are said to be of Living Rock. Then the other Aspect is that those that constructed the Triangulation of Churches stated that the entire Church Complex was laid-out as is Jerusalem in Israel. If that be the Case, it is a strong indication that the Site then is actually mirrored the Heavenly Jerusalem Heaven where the Creator lives, YHVH, etc.

These 2 Aspects about Lalibela in the Highlands of Ethiopia attest then to one's Theory that the Triangulation found on Earth, as it is on Cydonia, Mars is actually mirrored to what is Found in Heaven. And what is exactly found there? One conjectures that based on the Study of this Amazing Triangulation, it is a correspondence of the Trinity. The 3 Buildings pertain to the Father, Son and the Holy Spirit. And in some Amazing Fashion, they correspond to a Triangulation in Position and in Size to their respective Proportions.

There is a Massive Pentagon Fortress type of Structure. There is the Pleiades Pyramid City. Lastly, there is a Mausoleum or Temple of Worship that is construed to look like a Face. So, with a measure of Conjecture and Evidence, the Pentagon Fortress corresponds to the Father. The Pleiades Pyramid City of 7 Pyramids corresponds to the Holy Spirit. And the Face Temple corresponds to Jesus, the Son, etc. Is this all Biblical? Yes. Consider that in the Book of Revelation, there is a Depiction of Heaven whereby the Throne of GOD or YHVH is seen in all Power and Majesty.

But then, in front of the Throne, there is a Lampstand of 7 Lights. And in the Book of Revelation, it is of the Resurrected Jesus who holds the 7 Stars in His Hands and are then directly associated with the 7 Churches of Asia, as in the Pleiades that on Earth, Geographically and Topographically are in the Taurus Mountains. And it is in the Constellation of the Bull, Taurus where the Pleiades are found, etc.

So, as to the specific Triangulation found at Lalibela that corresponds to the Triangulation found at Cydonia, Mars? Here is one's Assessment about it. The Face of Mars corresponds to the Church of Saint George, the Dragon Slayer. The Pleiades Pyramid City corresponds to the 7 Churches Complex to include the Churches of Bet Lemma, Bet Rafael-Gabriel, and Bete Abba Libanos, etc. The Giant Pentagon Fortress corresponds to the combined Churches Bete Medhane Alem. This is the Church of the World Savior.

Then there is the Biet Cuddus Michael San Miguel and the Bet Maryam. The following will go over the specifics of the overall Lalibela Church complex, taken from the Wikipedia Online Page, with emphasis.

According to Research, Lalibela (Amharic: ላሊበላ) is a town in the Amhara Region of Ethiopia. Located in the Lasta District and North Wollo Zone, it is a tourist site for its famous Rock-Cut Monolithic Churches designed in contrast to the earlier Monolithic Churches in Ethiopia. The whole of Lalibela is a large and important Sacred Site for the Antiquity, Medieval, and Post-Medieval Civilization of Ethiopia. To Christians, Lalibela is one of Ethiopia's Holiest Cities, and a Center of Pilgrimage. Ethiopia was one of the earliest Nations to adopt Christianity in the 1st half of the 4th Century, and its Historical Roots date to the Time of the Apostles.

The Churches themselves date from the 7th to 13th Centuries and are traditionally dated to the reign of the Zagwe (Agaw) king Gebre Mesqel Lalibela (r. c. 1181–1221). The Layout and Names of the major Buildings in Lalibela are widely accepted, especially by Local Clergy, to be a Symbolic Representation of Jerusalem. The rock-hewn churches were declared a World Heritage Site in 1978. There is some Controversy as to when some of the Churches were constructed.

According to Local Tradition, Lalibela, traditionally known as Roha was founded during the Zagwe Dynasty, under the Rule of King Gebre Mesqel Lalibela (r. ca. 1181–1221 AD). Although it is more likely that the Churches evolved into their current form over the course of several phases of construction and alteration of preexisting Structures. It is proposed that the Churches of Merkorios, Gabriel-Rufael, and Danagel were initially carved out of the Rock half a millennium earlier.

They were likely early Fortifications between 600 and 800 AD, during the Days of the Kingdom of Aksum. Thus the Name of Lalibela came to be associated with the Site thereafter. In 1 Account, a European Visitor to Lalibela was Miguel de Castanhoso. He was a soldier under Cristóvão da Gama and left Ethiopia in 1544. Castanhoso states the following about the Site.

'There are here certain Churches cut out of the Living Rock, which are attributed to Angels. Indeed, the Work appears Superhuman, because, though they are of the size of the large ones in this Country, they are each excavated with its Pillars, its Altars, and its Vaults. They are cut out of a single Rock, with no Mixture of any outside Stone. When the Moors overran this Country they wished to destroy these Churches, but could not either with Crowbars, or with the Gunpowder which they exploded in them, doing no damage at all'.

The Architecture of the Churches contain significant Aksumite influences. The Church of Biete Amanuel, for example, displays a Stone Imitation of Wooden Architectural Features, which can still be seen in some of the Ancient Churches of Tigray and Eritrea. There is also Signs of Eastern Christian Influences, particularly that of Syrian and Coptic Christianity.

One finds this Eye-Witness Account and Observation very intriguing. Notice how the Lore is that the Churches were cut-out by 'Angels' or Celestial Beings. The Question then one has is, which type of Angels? The Good ones or the Bad ones?

GUARDIANS OF THE GATES

Possessing the Portals

This Book will show how such Martian Motif Triangulations served and served as 'Gates' and/or 'Portals' on 1 Level and Luciferian 'Spiritual Strongholds' in another. As a type of Jesus to come, Joshua conquered such 'Gates' of the Guardians as they entered the Promised Land. This Book suggests that the Triangulations were points of Contention as a Euphemism for the Spiritual Warfare over the Strongholds that are in the World, in general but specifically in the Promised Land, on Earth as it is in Heaven.
