I presented this to Ryan, and then we went passed it but we could simplify sponsorship to this or something like it:

Bronze: \$100 - 1/2 page ad and announced at Coronation.

Silver: \$250 - Full page ad, mention at Coronation.

Gold: \$500 - Full page ad and 1 free ticket to Coronation, announced at Coronation.

Platinum: \$1000 - Cover page ad, 2 tickets to Coronation (or 2 multipasses if we want to be generous) and announcement at Coronation.

What do you think?

Joseph D Holbrook I am okay with this!

I make a motion to do the above but will accept other options such as Hospitality sponsorship (Sluts, ICOM, etc.)On a case by case basis.

Ryan Dennis Yes

Jim B. Garst Aye

Lili Whyte I have notified Tim and Mike that we need their votes

Michael Hoksbergen The sponsorships were used to fund hospitality since no one thought about raising \$\$ until it was too late..... Asking if that is what this is about or just a general sponsorship to benefit Coronation.

Michael Hoksbergen Because that is what Carol and I have been donating towards the last few years.

Jim B. Garst Mine was doggeared for hospitality, but I think it can be either...

Joseph D Holbrook I feel that we should have some flexibility that is why I put the caveat that we would do it on a case by case basis. To not limit what we can or cannot receive.

Michael Hoksbergen It didn't seem very clear in the motion, that is why I asked.

Joseph D Holbrook I amend my motion to do the above but will accept other donations for to be put towards what the donors wish to.

Michael Hoksbergen I will second the amendment

Michael Hoksbergen and vote Aye on the amendment

Michael Hoksbergen and Aye on the motion providing the amendment passes.
