

Dear Parents,

In addition to the information posted on the school website and the links supplied, we have put together a list of activities that you should be able to do with the children over the initial period of school closure. Where possible these are materials that the children should be able to complete based on the learning they have done so far.

We have also created a schedule for you that you can print off so that you can introduce some routine.

Take care,

Mr.Cuming and Mrs. Krudy and all of the Year 4 team.

Subject	Activities	Useful links
English	Spelling	Spellingframe.co.uk
	Reading: Daily reading of their school reading book Bugclub (children's usernames and passwords have been sent out)	
	Homework book	
Maths	Practice calculation strategies for addition, subtraction, multiplication and division.	YouTube "Armitage Primary" maths videos: "Year 4 Division using the short method" "Year 4 Subtraction using the compact column method" "Year 4 Addition using column method" "Year 5 multiplication using the short method"
	Times Table Rockstars (children's usernames and passwords have been sent out)	
	urbrainy.com Free homestudy packs	Follow the links for Year 4 Free Home study packs Use the interactive "Number Activities"

Science and other bits	Identify and the learn the names of the birds visiting outside your home. Buy some seeds and grow them. Take some photos and create a diary. Learn how to make a cup of tea or coffee. Bake some cakes, take photos and write about what you did. Write a diary of each day- this could become a really important historical document. Use your TikTok account (if you have one) to create a video diary.	
------------------------	--	--

It is important that children maintain a sense of routine so what follows will provide that. Please limit the amount of time the children are playing on games consoles. It is also really important that everyone gets outdoors so break up their learning with opportunities for a break out in the garden; or, if you have one, take the dog for a walk.

This is a link to The Body Coach for daily exercise and PE lessons that can be done at home. Starting Monday at 9 O'clock.
