

About MERIT

MERIT Investment Management is an independent Registered Investment Advisor (RIA) founded in 2009. MERIT has managed equity strategies for institutional & individual investors since its inception. MERIT established the Global Blue Chip Dividend Strategy (GBCD) on January 1, 2016.

Investment Objective

- Generate the highest risk adjusted returns available to equity investors over the long run
- Generate strong dividend income to improve total return, reduce risk and reinvest capital
- Invest in high quality companies to reduce portfolio volatility and reduce risk

Investment Strategy

- Employ a comprehensive investment approach integrating macroeconomic, industry & company analysis
- Identify and invest in great companies with strong dividend yields offering compelling risk-adjusted returns
- Generate superior returns through fundamental research & active portfolio management

Investment Approach

- Disciplined investment process to identify, research and evaluate investment opportunities
- Fundamental research & concentrated portfolio positions maximize the impact of stock selection
- Continuous reinvestment process effectively allocates capital to maximize returns and reduce risk
