

# Denver Regional Office Walk-In DBQ Clinic

U.S. Department  
of Veterans Affairs

## “First Come, First Serve” Every Thursday at the Denver RO

We are excited to announce the Denver RO Walk-In Disability Questionnaire Clinic starting May 8, 2014. The clinic is open every Thursday from 9:00 AM to 3:00 PM. Please understand depending on the space availability the Veteran may be asked to come back.

The walk-in clinic can complete no more than two DBQs at a time. There is no medical treatment offered, nor is a full C&P exam conducted, but it is a great opportunity to have DBQs to submit with a Fully Developed Claim application making it ready-for-decision at initial submission.
