ABRAHAM FAMILY HOUSE BASED ON THE MARTIAN MOTIF PATTERN ON THE TEMPLE MOUNT

The purpose of this illustration is to depict the 3 Houses or Temples of Worship that one believes will eventually comprise the Temple Mount array in the New World Order. It will be an Ecumenical Hybrid of Judaism, False Christianity and Islam. Essentially, it will be the Religion of Lucifer, of the Fraternal Secret Orders and Kabbalists, etc. It will correspond to the Abraham Family House or Houses that is currently being construed in Abu Dhabi. There is one already in Berlin, and in the USA and soon to be mirrored across the World. When? One postulates that the 3 Houses will be fashioned on top of the Temple Mount once the 1st House ever built, that of Judaism is completed. But not before the 'Other House', that of the Bride of Christ 'House' is completed and extracted, literally from off this Planet. This event is called the Rapture. Moreover, what this study is insinuating is that these 3 Houses or Structures nearly correspond to the Cydonia, Mars Triangulation of Pyramid Structures found there. The dimensions and perimeters exactly match when the orientation from Cydonia, Mars is inverted 180° and slanted by 45° and overlaid onto the Temple Mount 3 Houses. The supposition is that whomever built and occupied such Structures on Mars, are one in the same that have replicated this Martian Motif on Earth.

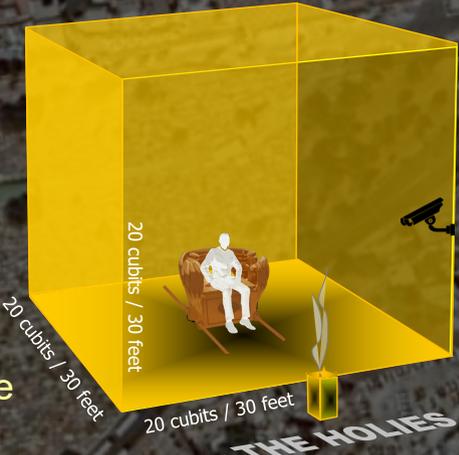

the Abraham Family House(s) in Abu Dhabi projected to be sometime in 2022. constructed presently in Saadiyat Island .

Primary, the End Goal is to fashion that very same Sacred Array on the Temple Mount. It has been done incrementally and all that is needed is to rebuild the 1st House, that of Judaism, thus the need for the 3rd Temple. Why? During Daniel's 70th Week or 7-Years, it will be Lucifer and his Fallen Angels that will seek to occupy this place because it is a Star Gate or Door directly into Heaven. Jesus warned about this 'Abomination of Desolation'. It will be from the 1st House of Judaism that Lucifer will attempt, like Nimrod, an all-assault to invade and dethrone YHVH from. This will occur at the midpoint of the Tribulation Period where the AntiChrist, the Man of Sin that will have initiated the 3 Houses on the Temple Mount will break with his Promises to quarantine 'Peace and Security' to Israel with the Muslims and the World. He will enter the Holy of Holies to sit on the Ark of the Covenant to be proclaimed God and demand Worship. This is the ultimate Luciferian Agenda.
