The student is required to keep his/her appointments for the 6 hours of behind- the-wheel instruction. The student has 13 months from the first day of class to finish all 6 hours of Drive Time. Parents and students need to abide by the Drive Time Cancellation Policy. A minimum of a **48 Hour Notification** must be given to cancel your drive time. Should a parent/student fail to notify IODS as required, fail to show up at the scheduled drive time, or show up 15 minutes late, or show up without a valid permit, the student will lose the drive time and it will need to be paid for prior to rescheduling any more drive time. IODS will charge a fee of **\$60.00 to reschedule**. Each case will be reviewed. IODS reserves the right to cancel drive time for any reason.

Participation in the Activity involves operation of a motor vehicle by the Participant who has little or no training in the operation of a motor vehicle. The Activity therefore carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. The specific risks vary. I hereby confirm that participation in the Activity by the Participant is voluntary and I knowingly assume all such risks. I also agree to indemnify and hold IODS harmless from and against any and all claims, actions, suits, procedures, costs, expenses, damages and liabilities. This agreement constitutes the entire contract between the school and the student, and any verbal assurances or promises not contained herein are not binding on either the school or the student. Under this agreement an instructor may not provide behind-the-wheel training to more than two individual students per session.
