### THE NEWS

Well, here we are and the month of June is busting out all over. Our club meetings have been well attended, people are playing a wide range of wonderful music and there are always new skills and songs to work on in between gatherings.

Speaking of new songs, how about for the end of this month, you find some kind of patriotic song that you've not played before. Our scheduled meetings around the 4<sup>th</sup> of July fall either the week before or after that holiday, so we might as well get in the mood now.

Don't forget about the annual SPAH Convention if you plan on attending. SPAH stands for the Society for the Preservation and the Advancement of the Harmonica... so let's participate in the advancement of that goal. The convention will take place in Tulsa, Oklahoma, from Tuesday, August 9<sup>th</sup> through Saturday, August 13<sup>th</sup> at the Hyatt Regency Downtown. Look up [spah.org](http://spah.org) for details and registration information. The convention is an incredibly fun, entertaining and educational experience!
