13th Annual AltCar Expo & Conference

The two-day Santa Monica event was an eye-catching alternative technology fleet of cars, trucks, bicycles and scooters available for a Ride & Drive. On show were battery electric, fuel-cell electric, plug-in hybrid and hybrid electric vehicles with a line-up including: Honda Clarity, Toyota Mirai Fuel Cell, Toyota Prius Prime PHEV, Nissan Leaf, Kia Niro, and more. Industry experts were on hand to discuss urban planning, mass transit, energy generation, sustainable lifestyle choices, electrical vehicle infrastructure and alternative fuel technology. The AltCar Expo began in 2005 to motivate everyone to take action against pollution.

Rolls-Royce McLaren of Beverly Hills
The 6th and final Cabbeen Collection McLaren 570GT was shown at the annual Lunar celebration. The Cabbeen-commissioned 570GT debuted in the Beijing Auto Show last year and only five other such cars exist featuring a hand-painted dragon out-side and embroidered dragon inside. Models are built by MSO.
