

SPONSOR PROGRAM FOR TRIPLE "R" EQUINE RANCH INC

Sponsors are the best friends of all our equine residents!

Our SPONSORSHIP PROGRAM is for people who want to become more involved in a horse's life and help us continue our rescue efforts. The majority of the rescued horses are in need of special care from extra feed and special supplements, to special veterinary and/or farrier care.

Horses that come to us as neglect cases that are scheduled for court are here for the duration of the legal procedure. These are also the horses that will take months to rehabilitate.

Abused horses or uncontrollable horses are also not fixable overnight. Whether from mistreatment or simply due to mishandling (excessive or uneducated training practices), undoing the fear and hurt takes patience and time. Some may never recover.

Almost all of the animals we take in have the potential to lead normal, productive lives. However, maintaining and caring for these horses is a very time consuming and expensive endeavor. Most spend months at the farm so we can be sure their physical and mental health condition is managed and manageable for that special, forever home.

Each day we come across new cases and would love to rescue more horses in need, but we need your support. We take sponsors seriously. **PLEASE DO NOT MAKE A LARGER COMMITMENT THAN YOU COMFORTABLY CAN AFFORD. WE APPRECIATE ANY AMOUNT FOR A RESIDENT.**
