Abortion

~Trump Wins – The Battle Begins – November 10, 2016

- Understand that although My disciples did not get involved in political issues, these times are different. You are living in a democracy, and what you cast a vote for impacts your life. When you support those who condone **abortion**, you are placing a great weight on your own personal shoulders and on your family - as well as guaranteeing judgment on your nation. (full synopsis under **Trump, Donald/Election**)

America

~Trump Wins – The Battle Begins – November 10, 2016

- Jesus: The fight has only just begun. It will be a long, hard battle to restore **American**. The brainwashing of the young has caused much division. (full synopsis under **Trump, Donald/Election**)

~What I Have Said, That Will I Do/Don't Let Holidays Take You Off Prayer! – November 13, 2016

- Jesus: As long as you continue to **pray and offer sacrifices**, I will do in your nation what I have said I will do. Not later – but NOW.
- I am looking for **Gideon's 300** faithful men/women – the rest can stay home.
- Be careful in this coming season of holidays, do not let spirits of Materialism, Gluttony, Acquisition and Greed overtake you and distract you from prayer for this nation.
- **The enemy is planning to overthrow the new administration** even before they can take office. This will not happen if My faithful Gideon 300 continue to pray. Every man counts. Your lives, your faith, your family - indeed your future - lie in **your praying** hands. Do not be defeated by your own flesh.
- **EVERY bit of suffering can be offered up** – no matter how small.
- I will arrange circumstances that are frustrating to you, you don't have to go looking for them.

Anointings (see: Graces/Graces Released/ Anointings)

Avarice/Greed

~ Your Heart is Far From Me & Satan's Plan To Stop Trump ½ – November 14, 2016

synopsis

- Clare: I fell by focusing on outer beauty rather than the inner beauty of my relationship with Jesus. And in those situations, I always lose. I gave in to the temptation to spend time and energy on a piece of clothing, and any time I focus on externals, I feed that internal monster of acquisition which never has enough. I came in to prayer very discouraged because Jesus had convicted me of **Avarice** again, and Pride.
- Didn't you make beauty for us to enjoy?
- Jesus: Yes – but not to take My place. To you, looking for the right color of a piece of clothing is more exciting than coming to Heaven with Me and that's the honest truth, or you would come more often. If you have a taste for earthly consolations, you will draw those to

yourself. But if you **have a taste only for Heavenly ones**, you will cease desiring the beautiful things of the Earth, because they do not satisfy. You know they fade, Clare. They grow old, rip, are eaten by the moths, are lost or damaged...in the process of everyday living.

- Do you want it to be said of you, by the citizens of Heaven, 'She **honors Him** with her mouth, but her heart is far from Him?
- This is the season Satan uses to draw you away from Me and into the shopping malls and internet stores. These **demons** that have been loosed are powerful and know your weaknesses. They know your buttons, your likes and your dislikes. And they know just how to push them. Every time you give in to the impulse, you grow weaker and they grow stronger in their influence and control over you. There is only so much room in your hearts, My people.
- You will find out that if you give in to this, when you bring whatever you bought home, you will begin to feel compunction and the object will seem almost worthless to you. Or you will grow bored with it and say to yourself, 'This isn't what I really wanted. What was such a big deal when I just had to have it??' I'll answer that for you. You were torched and inflamed with a **demon of LUST** for that item. All these attributes of the object you so desired were inflamed by this demon so you just had to have it or something just like it.
- Until you value My company over anything you could ever want from this world, you will be demon fodder.
- I am not condemning you for getting what you absolutely need. I am warning you of the trap that lies before you every Christmas season. And I am telling you - this country is hanging on your prayers. The establishment is planning outrageous false flags to keep **Donald Trump** from office. And if you indulge your Christmas shopping, you will be too busy and too tired to pray.

Bitterness

~God Uses the Worst to Bring out the Best – November 29, 2016

- But in the heat of disappointment, confusion and betrayal, **you lost sight of what I was doing**: that something I was doing in you and Ezekiel. Yes, the offerings are powerful because of the deep pain they cause, but things are shifting in you. You asked to be compassionate and gentle, and so I sent you tests. Now you are **bitter** and complaining of what was lost in this trial? You are angry, resentful and disgusted? **You should be thanking Me, not holding anger**, which brings seeds of resentment and gives the enemy an opportunity to build a stronghold.
- Really, this situation was **My gift to you**. Turn it into a blessing, because the enemy will turn it into a cursing if you don't. And I am not threatening you, My Beautiful Bride. I am merely stating a fact. You mustn't hold anger and unforgiveness in your heart. You must relinquish it and allow Me to clean it out. CERN

~How Demons Work – Interview w/Dr. Sherry 1 of 3 – November 19, 2016

- Clare: **CERN has opened more doors.** Because of the shortness of time, Satan is angry and released a LOT of demons. This interview is with Sherry Steinhoff, a retired Dr. from NYC. A completed Jew who came to the Lord through this channel. She is being used by the Lord as a powerful intercessor and often experiences serious medical conditions – and then is healed again of them, to offer as sufferings for the Lord. Church, How It/They Affects Us

~Never Presume & Plot to Kill Donald Trump – November 21, 2016

- Many **elders in the church have overstepped** their boundaries not understanding that their role is to confirm and instruct but not take over the responsibility of directing a soul to do this or that, and certainly never insisting that their way is right and the soul is wrong. **~Your Heart 2: The Power of True Contrition in Spiritual Warfare 14_ – November 15, 2016
synopsis**

- Clare: All of a sudden I got hit with the desire to look a little more cheerful around the house. A bright top. Didn't want to buy it and spend frivolously – so I dyed one I had around the house.
- The point was **I WANTED it.** And I indulged myself. I wasn't entirely convicted until Ezekiel admonished me not to look at a program about Donald Trump – he wasn't well, and suspected that it had something to do with my behavior. I didn't believe him. But BP brought up Self Righteousness. And Ezekiel got: Lust, Money and Repentance...Ouch!
- I didn't know what I had done, really. When I finally asked Him, seriously, I got Humility – which always points to my **Pride.**

- I am only now learning to really look at myself, and see what shouldn't be there. Because we are learning that **demons come with so very little openings**, and then plants seeds which grow into strongholds in us when we are not careful.
- After about ten minutes of **confessing** that, "I am a sinner. Still a sinner and please show me what I've done," He started to feel present to me, tangibly, then He began to show me all kinds of things. I don't list them all here, but Judgement, Disrespect, Self-indulgence, Unforgiveness...and last but not least, Pride, Avarice, and Acquisition. **My black panther**. The thing that stalks me and gets me when I'm not thinking right.
- I wanted to also admonish you in this message to make sure you **wait on Holy Spirit** to convict you of your sins and wait until you've truly repented and are sorry for offending God before you assume you're clean.
- It calls for **true contrition**, and that means sorrow for offending God. Not sorrow for getting caught, not sorrow for not getting your way, not sorrow because now you can't get more. Sorrow for having offended our Tender Jesus with idolatrous behavior.
- Jesus: In this world you will struggle with your flesh and the world, but take courage. I have overcome them both for you, and if you are faithful to remember your true stature before the Heavenly Court, **I will always deliver you**

Clare Dreams/Visions

~A Taste of World Peace – November 12, 2016

- **Clare vision:** I saw the nations of the world exchanging goods, ideas, governing peoples, providing for a healthy country, especially in Europe. I saw that America would lead the way, because President Trump would do the right thing by his citizens. And in establishing justice, other nations would follow the example and begin to do things they never thought possible. I sense that the world trade agreements have hamstrung this planet to the point where nothing works anymore, it's being choked out by outdated partisan rules and counter rules. I saw the Lord taking scissors and cutting these bands, releasing prosperity where it had been suppressed and making honest agreements that benefit all rather than the corrupted and outdated system. (full synopsis under **World Peace**)

~Never Presume & Plot to Kill Donald Trump – November 21, 2016

- **Clare vision:** I saw a semi parked in an alley in NYC - there are many alleys in NYC. Some with very tall buildings on the sides and some with shorter buildings. In any case, this semi had pulled into the alley and the top opened and a missile began to emerge at an angle. First it was horizontal, and then swung into an angle and was vertical. And then it was fired directly at the top floors of Trump Tower. (full synopsis under **Trump, Donald – Prayers for His Safety**)

Demons:

Demons: How They Work

~Do You Love Me? Feed My Sheep – November 26, 2016

- Clare: tells how the **demons had put a spider-web like structure** around her that made her feel separated from the Lord. With one swipe of His hand and a blow of His breath, He took

it away. Also, they are still dancing, but this is not a season to focus on dancing, but on other things. (full synopsis under **Self-Control/Self-Denial**)

~How Demons Work – Interview w/Dr. Sherry 1 of 3 – November 19, 2016

synopsis

- Clare: **CERN has opened more doors**. Because of the shortness of time, Satan is angry and released a LOT of demons. This interview is with Sherry Steinhoff, a retired Dr. from NYC. A completed Jew who came to the Lord through this channel. She is being used by the Lord as a powerful intercessor and often experiences serious medical conditions – and then is healed again of them, to offer as sufferings for the Lord.
- He has taught her much about how we can fight **warfare**, and that's what this interview is about.
- Sherry: It is **best to speak in tongues**. That way, Holy Spirit can pray exactly what you need, take out just what is there and cleanse you.
- The process **begins, always, with the heart**. It takes very little to give opening for demons and their seeds of bitterness. The **seed**, within hours, grows microscopic spines that imbed in your heart and then must be removed by the Lord. FAR better to NOT leave them there long enough to imbed. BEST to learn to be sensitive to when you have opened a door, repent IMMEDIATELY and ask the Lord to cleanse you of it, before it has time to root and grow.
- As it is removed, some people yawn, cough, burp, sneeze – some feel nothing, just breath. But the demons are removed through the air passages.
- The Lord calls what has recently been released in the air **Toxins, Poisons**. They are working much faster than they did before. Again the need to repent as soon as you are aware that you need to. If we let it go, it poisons our physical body as well as our mind, soul and spirit. Chronic health situations will grow worse than He has allowed.
- Getting rid of them: can NOT be just a prayer in passing. No, **this is serious**, and must be taken seriously. On your knees, seriously. Ask Holy Spirit to pray over you in tongues. Trust that if you have asked Him this, you will speak in tongues and He will cleanse you, and when He is finished, you are clean.
- **Bitterness is most often**. Also Apprehension, Fear, Irritation, many others. The demons must be removed, as well as the seeds that are planted.
- Jesus will literally come, open your heart, remove these things and then heal you back up again. All done in the spirit, but you may feel a tug when the seeds are removed if they were left too long. He speaks over you as He does this: "I cleanse this heart." Then He will place a sponge in the place, filled with His Blood, His tears, sometimes the Blood and Water from His wounded heart. Then HIS blood flows through yours, cleansing your blood, mind, body, soul and spirit until it is done.
- Clare: Out of the heart comes every unclean thing – Scripture.

~How Demons Work – Interview w/Dr. Sherry 2 of 3 Spiritual Warfare 18 – November 20, 2016

synopsis

- Sherry: If we have organs that are already sick, the demonic toxin only makes things worse.
- Jesus is asking us, ""Please, please My children, I implore you. Clean them at least twice a day. I implore you." There's things that He doesn't want to happen, I think by spiritual laws He must give in to happen when bitterness is allowed to persist.

- Clare: **repentance**. Do we need to connect emotionally; with the fact we need to repent first? Yes. In the beginning, He wants you to envision this process while you're praying. All your repenting for what you did, at least you know about, and I ask Holy Spirit, "Tell me what I don't know about." For what you did. And many of these things, I can look back and say, "I know, I was irritated. I behaved well, much better than I was - but it was still there." We all know - it's all or nothing with the Lord. Little bit of irritation? That's it. He doesn't want us to feel that way.
- He's really been pointing it out to me, when things are not good, and I have to say, "Well, then - thank You that they're NOT GOOD, Lord! **Thank You that they're not good. I can offer it all back to You.** But I genuinely mean it when I start speaking, He changes my heart so that I truly believe this. I don't want to lie!
- If I get a little... it still feels planned - a little distraction, a little irritation, and the Lord will permit, because again, **it's an offering** and He wants to teach us how to avoid these things. And you're absolutely right - a true, pure heart of gratitude and thanksgiving absolutely ruins it, in fact it stopped the curse completely - it could not alight. It got a couple of pings, it just died.
- But for others, who are having difficulty, not because He wants us to, but because the **seeds are permitting other things to happen and by spiritual law, He can't protect you from that.** You can ask Him to remove it all, but He's taking it as an offering and saying, "Please, please - My children. Please, I'm telling you, clean these seeds at least twice a day." And if you get irritated a lot more, do it right when you do it, as much as you can when you're irritated. Repent and say, "Please remove this." And usually it's a cough, a burb, a sneeze - that's it. They're nothing.
- The one thing that you mentioned the other day, about loving the Lord and being IN love with the Lord, turns out to be, I think, the crux of - it's certainly all my efforts, and all my existence. What it boils down to is - and I never thought I'd say this - but (before He came for me). But it comes down to **I'm so in love with Him, I don't want Him to suffer because I erred.**
- I don't want Him to feel ungratefulness from me, because He's done so much for me. Including absolute miracles. I don't want to return that to Him. I feel terrible! I'm **truly repentant** that I did that - I start crying, a lot. I don't want self-pity. Self-pity is NOT, that's pride. True repentance, you know
- C: Well, and you know we're gonna have to ask the Lord to **show us our self-pity** because a lot of people don't know the difference between self-pity and true contrition. Show us the difference between feeling sorry for ourselves and feeling sorry for offending God. Those are two different ball parks altogether.

~ **Your Heart is Far From Me & Satan's Plan To Stop Trump ½ – November 14, 2016**

Demons/Spiritual Warfare/Protection From

~ **Jesus Admonishes on Darkness & Warfare 16 – November 17, 2016**

synopsis

- Clare: we've gone from happy wedding encouragements to heavy-duty warfare messages over time. I assure you – these messages are not manufactured by me, but the Lord.
- Jesus: There are seasons. Just now we are in a season of war. **ALL are under attack**, sometimes continuous. It is quite necessary now – for souls and the fruit we will harvest.
- I loathe the **demonic** – but too many of My Christians don't understand what they are dealing with.
- You do well to accept sufferings on My behalf, but **sufferings from your own sin is not necessary**. Hence, I teach you how to **keep doors closed**. Teachings about the Beatitudes, loving your brother, being separated from the world are to make your life easier to live without the need for deliverance. My words must be taken seriously!
- It's a mighty task to **overcome flesh and live a holy life** – that's the true enemy you need to vanquish every day, one that you have been led from childhood not to do.
- My dear ones, I long to see an end to your sufferings, but you have chosen Me over the world and now the worldly ways that entrap you **to Satan must be deliberately worked out of your behavior**. I don't love you one iota less. If anything has changed, it is more and more compassion and love for you, because you care enough to change, and really work hard at changing. I am teaching you this and I am teaching you how to free yourselves as well.
- Many of you are on this channel because you want to **grow in spiritual depth**. If I fed you wedding gowns and fairy tale trips through Heaven, you would never address the things that must be clean before you can live in Heaven. Nevertheless, trips to Heaven will increase among you, to encourage you in this long and difficult journey. I will console you, even now when you are having the most difficulty, many of you see Me holding you and looking at you with so much compassion
- **Your enemy has come to kill, steal and destroy**. To defile and make soiled our sweet relationship, so you must **learn how he operates** to protect yourself and your loved ones. Ignorance is not bliss, it is disaster. So please, be patient with Me as I reveal how the demonic realm is arrayed against you and when you fall, how to raise yourself back up immediately before the fall turns into a stronghold.
- Clare: next will be an interview with Sherry.

Denying Yourself

~ **Do You Love Me? Feed My Sheep – November 26, 2016**

- Many do not realize that I **allow circumstances** in their lives because that is the **next step on the road to sanctity**. They are thinking, success, security, peace, happiness the way the world has these things. I am thinking, before you can truly have these things, the real things, authentic peace, security and success. You must conquer the untamed land of your own will and your own opinions.
- Growing up is not easy; nor is spiritual maturity. Learning to **deny yourself** is only one leg of the journey. The other is following Me with **your cross**.
- The one who releases control of their lives over to Me will not fall into these pits, but it requires **death to self-will and personal opinion**, or the opinion of any man, for that matter. (full synopsis under **Self-Control/Self-Denial**)

Destiny

~Living in God's Will & Destiny – November 25, 2016

synopsis

- Clare: Almost done with the **painting** as well as 3 songs. Each day discovering how thanksgiving plays such a central role in life. Am even considering a Thank You album, so important is that attitude of the heart!
- Clare: stressing again the important of how **hindering seeds of resentment, bitterness**, etc. are to us. I want to stress here is that when you respond with rancor in any situation, you have just opened the door to a demon, a seed and the damage that demon will do, including - pardon the harsh words - vomiting and defecating on you, as well as blackening the inside of your heart. And from your heart, the blood pumps and takes this to the extremities and to every part of your body. And it does affect your health!
- Jesus: As you get closer and **closer to Me**, relying always on My wisdom and will from moment to moment, you will find that your life will straighten out and soar.
- **Many cannot hear Me because they are not willing to let go of their own agendas**. When they begin to have success in hearing Me, I ask something of them that causes them to feel insecure and threatened. Well, all of a sudden they can't hear Me anymore or get confirmations.
- I cannot take a soul down the road of their destiny, what I created them for, unless **they turn over complete control to Me**. So many rely on their social standing and are petrified of being stripped down to beggar status. But there is no one on this Earth or in Heaven that has more status before Me, than one who has become a beggar for Me.
- Yet the very thought of becoming a **no-one from no-where, going no-where**, is seriously threatening because their reality is the world and worldly security and status. What they are missing because of it is **the most cherished state a human can aspire to**, and that is to be My Beloved Spouse, one with Me, given up totally to Me.
- Matthew 10:36-37 "These are not just 'pretty' words, these are a rule of life.
- When the conscience of a soul is corrupted by the world, they must constantly have a failsafe net beneath them, and **so they continue to belong to the world** while on the outside pretending to belong to Me. Their life is a confused mess, because they are trying to serve two masters, God and Mammon...or the world and money.
- So, I work with them as closely as they will permit. But there comes a point where I must let them off the hook, so to speak, and allow them to go their own way without hindrance. So, **they go back into the world**, being led again by their own ideas.
- Oh, how I wish I could have been at the helm, but they would not have it. Do you see, Clare? I spare nothing bringing the rebellious into My service, but when they refuse to have Me,

there is nothing more for Me to do but find another vessel who truly loves Me enough to lay down their lives for Me, and give that assignment to them.

- Jesus explains a present case of this happening. Then speaks of how the potter making a vessel unto honor is a messy business, requiring the vessel to be broken, ground to a powder and have Pride slammed out of them. If you are not prepared to go through this process, please do not offer yourselves to Me – it won't be successful. Rather, stay in the world until you are fully sick and tired of it and willing to go through anything to serve Me. I will still love you and take you to Heaven, but you will not enjoy being **My Bride**. Your life will be lackluster, lukewarm and dull. There will be piercing remorse when you see others promoted and doing what you once dreamed of doing, you may even fall to envy and jealousy, which reflects a hidden desire in you that you were never willing to die to have.

Discernment

~**God Uses the Worst to Bring out the Best – November 29, 2016**

- You see, when you **do your best for a soul** and give them your very best time and discernment, if they don't want to hear it they turn and attack you and make you the villain. In other words, you aren't hearing from the Lord... "because I won't do what He is asking of me." One day the soul gets copious confirmations while others fast and sacrifice for him. Another day they weren't confirmations at all and you're a false prophet or at the least - deceived.
- May I tell you the rule of **discernment** we have always operated by? Is that when you feel God calling you to something and your heart is inflamed with a desire to love Him more, to give Him more, you seek confirmations in prayer and fasting. It's best to keep a journal, either on your computer or hand-written. Then when you strike out on your journey in obedience to the Lord and you encounter every manner of opposition, you go back to your original discernment and hold fast to that. You don't change in midstream. (full synopsis under **God/the Father/His Faithfulness to Us**)

Fear

~**The Parable of the Guarded Honeybees and the Pilgrim – November 2, 2016**

- When we have a **fear of anything**, it's usually a survival instinct because we've been hurt before. So we cover up and protect ourselves. We avoid all situations where we could be hurt because we don't want to be controlled by anyone or anything. We don't trust anyone. (full synopsis under **Teachable Spirit**)

Flesh, Overcoming It

~**Jesus Admonishes on Darkness & Warfare 16 – November 17, 2016**

- It's a mighty task to **overcome flesh and live a holy life** – that's the true enemy you need to vanquish every day, one that you have been led from childhood not to do.
- My dear ones, I long to see an end to your sufferings, but you have chosen Me over the world and now the worldly ways that entrap you **to Satan must be deliberately worked out of your behavior**. I don't love you one iota less. If anything has changed, it is more and more compassion and love for you, because you care enough to change, and really work hard at changing. I am teaching you this and I am teaching you how to free yourselves as well. (full synopsis under **Spiritual Warfare**)

God/the Father

His Attributes

His Faithfulness to Us

~God Uses the Worst to Bring out the Best – November 29, 2016

synopsis

- Clare: Recap of soul who appeared on their doorstep, they ministered to and gave the Lord's guidance to – and the soul failed to follow through.
- Clare was told from the beginning that it was going to be a **suffering for Trump** and the country. It lasted 2 months.
- You see, when you **do your best for a soul** and give them your very best time and discernment, if they don't want to hear it they turn and attack you and make you the villain. In other words, you aren't hearing from the Lord..."because I won't do what He is asking of me." One day the soul gets copious confirmations while others fast and sacrifice for him. Another day they weren't confirmations at all and you're a false prophet or at the least - deceived.
- May I tell you the rule of **discernment** we have always operated by? Is that when you feel God calling you to something and your heart is inflamed with a desire to love Him more, to give Him more, you seek confirmations in prayer and fasting. It's best to keep a journal, either on your computer or hand-written. Then when you strike out on your journey in obedience to the Lord and you encounter every manner of opposition, you go back to your original discernment and hold fast to that. You don't change in midstream.
- She ended up with seeds from the encounter.
- Jesus: It is always the ones who cause the most trouble who are doing you the most good. Man thinks, 'interruptions, loss of time, emotional pain, ingratitude, betrayal.' I think, 'My Bride you are beautiful, **you are looking more like Me all the time.**' You see, I am the one who chooses these vessels who sow disorder into the lives of others. Though the enemy uses them to cause loss of time and ministry, I use them to build character and charity.
- But in the heat of disappointment, confusion and betrayal, **you lost sight of what I was doing:** that something I was doing in you and Ezekiel. Yes, the offerings are powerful because of the deep pain they cause, but things are shifting in you. You asked to be compassionate and gentle, and so I sent you tests. Now you are **bitter** and complaining of what was lost in this trial? You are angry, resentful and disgusted? **You should be thanking Me, not holding anger,** which brings seeds of resentment and gives the enemy an opportunity to build a stronghold.
- Really, this situation was **My gift to you.** Turn it into a blessing, because the enemy will turn it into a cursing if you don't. And I am not threatening you, My Beautiful Bride. I am merely stating a fact. You mustn't hold anger and unforgiveness in your heart. You must relinquish it and allow Me to clean it out.
- Indeed, this is My work; **what Satan curses, I bless** and good comes forth from it. You are learning the fine arts of grace and how to flow with it. There is nothing the enemy can do to any of you that you cannot derive good from. I see to it. I want you to be examples and teach this principle to those around you.
- Many of you have begun **new endeavors for Me:** music, art, books and teachings. These are wonderful - and greatly threatening to the enemy, by the way. And so there will be assignments against you to rob you of your creative joy. The more impact your anointing will have, the more you will be attacked.

Heart, The

~**How Demons Work – Interview w/Dr. Sherry 1 of 3 – November 19, 2016**

- The process **begins, always, with the heart**. It takes very little to give opening for demons and their seeds of bitterness. The **seed**, within hours, grows microscopic spines that imbed in your heart and then must be removed by the Lord. FAR better to NOT leave them there long enough to imbed. BEST to learn to be sensitive to when you have opened a door, repent IMMEDIATELY and ask the Lord to cleanse you of it, before it has time to root and grow.
- **Jesus will literally come, open your heart**, remove these things and then heal you back up again. All done in the spirit, but you may feel a tug when the seeds are removed if they were left too long. He speaks over you as He does this: “I cleanse this heart.” Then He will place a sponge in the place, filled with His Blood, His tears, sometimes the Blood and Water from His wounded heart. Then HIS blood flows through yours, cleansing your blood, mind, body, soul and spirit until it is done. (full synopsis under **Demons/How They Work**)

Heaven

~ **Your Heart is Far From Me & Satan’s Plan To Stop Trump ½ – November 14, 2016**

- Jesus: Yes – but not to take My place. To you, looking for the right color of a piece of clothing is more exciting than coming to Heaven with Me and that’s the honest truth, or you would come more often. If you have a taste for earthly consolations, you will draw those to yourself. But if you **have a taste only for Heavenly ones**, you will cease desiring the beautiful things of the Earth, because they do not satisfy. You know they fade, Clare. They grow old, rip, are eaten by the moths, are lost or damaged...in the process of everyday living. (full synopsis under **Avarice**)

Holy Spirit

~ **Your Heart 2: The Power of True Contrition in Spiritual Warfare 14 – November 15, 2016**

- I wanted to also admonish you in this message to make sure you **wait on Holy Spirit** to convict you of your sins and wait until you’ve truly repented and are sorry for offending God before you assume you’re clean. (full synopsis under **Clare Stories**)

Humility

~**The Parable of the Guarded Honeybees and the Pilgrim – November 2, 2016**

- The only remedy I see for a soul caught in such a pit is **humility**, which the devils have already destroyed by telling them they don’t need to know anything further. (full synopsis under **Teachable Spirit**)

Jesus

Bride(s)

~God Uses the Worst to Bring out the Best – November 29, 2016

Jesus: It is always the ones who cause the most trouble who are doing you the most good. Man thinks, 'interruptions, loss of time, emotional pain, ingratitude, betrayal.' I think, 'My Bride you are beautiful, **you are looking more like Me all the time.**' You see, I am the one who chooses these vessels who sow disorder into the lives of others. Though the enemy uses them to cause loss of time and ministry, I use them to build character and charity. (full synopsis under **God/the Father/His Faithfulness to Us**)

~Living in God's Will & Destiny – November 25, 2016

- Yet the very thought of becoming a **no-one from no-where, going no-where**, is seriously threatening because their reality is the world and worldly security and status. What they are missing because of it is **the most cherished state a human can aspire to**, and that is to be **My Beloved Spouse**, one with Me, given up totally to Me.
- Jesus explains a present case of this happening. Then speaks of how the potter making a vessel unto honor is a messy business, requiring the vessel to be broken, ground to a powder and have Pride slammed out of them. If you are not prepared to go through this process, please do not offer yourselves to Me – it won't be successful. Rather, stay in the world until you are fully sick and tired of it and willing to go through anything to serve Me. I will still love you and take you to Heaven, but you will not enjoy being **My Bride**. Your lifewill be lackluster, lukewarm and dull. There will be piercing remorse when you see others promoted and doing what you once dreamed of doing, you may even fall to envy and jealousy, which reflects a hidden desire in you that you were never willing to die to have. (full synopsis under **Destiny**)

Hearing/Seeing Him

~Living in God's Will & Destiny – November 25, 2016

- **Many cannot hear Me because they are not willing to let go of their own agendas.** When they begin to have success in hearing Me, I ask something of them that causes them to feel insecure and threatened. Well, all of a sudden they can't hear Me anymore or get confirmations.
- I cannot take a soul down the road of their destiny, what I created them for, unless **they turn over complete control to Me.** So many rely on their social standing and are petrified of being stripped down to beggar status. But there is no one on this Earth or in Heaven that has more status before Me, than one who has become a beggar for Me. (full synopsis under **Destiny**)

Mercy, God's

~The Election: Jesus call for "War Spiritually" – November 6, 2016

Middle East

~Never Presume & Plot to Kill Donald Trump – November 21, 2016

- Now about this blood thirsty group in the **Middle east**. As I have told you before, this is the seed of Ishmael. Parables

~The Harness of the Lord, by Bill Britton – November 27, 2016 synopsis

- Story of a vision Bill Britton had about two horses. One went willingly to the King's training ground, one wouldn't leave the lush, green pasture.
- The training was hard and seemed constrictive to the other colt, and he played in the field the whole while.
- After the training, the 2nd colt was full grown, strong and healthy, pulling the King's very own carriage. The 1st colt had remained weak and young, never growing up.
- A famine came and the contrast given between why the 1st colt stayed weak, and the 2nd prospered.

Prayer

~A Taste of World Peace – November 12, 2016

- Because you have **prayed** for this nation, for My will to be done, despite your personal opinions, you shall prosper both in soul and body. You will prosper in a healthy way and your enemies shall be defeated before you. Because you have taken it to heart to cover this nation and president with prayer, and spread the truth, for these reasons will My choicest blessings be upon you and this nation.
- There will be a taste of My government on this Earth - short lived as it may be. Still, the world will know the difference between My **Peace** and the contrived, staged peace of the elite.

- I am telling you these things because I want you to pray for this. Pray for honest world unity, where freedoms are maintained but a spirit of cooperation inhibits leaders from doing evil to others. (full synopsis under **World Peace**)

~Trump Wins – The Battle Begins – November 10, 2016

- **Daily prayer is needed now. Pray** for the demonstrations to stop, for a peaceful transfer. The future of this nation hangs in the balance for the next 2 years. Pray for peace every day. As you pray, I dismantle key situations making it impossible for them to be carried out.
- You do not see what I am doing behind the scenes but you do see the affects - such as Donald Trump being voted into office, and America succeeding in even having elections when there was a plan underway to stop that from happening. But because of your **prayers**, it didn't succeed. (full synopsis under **Trump, Donald/Election**)

~What I Have Said, That Will I Do/Don't Let Holidays Take You Off Prayer! – November 13, 2016

- Jesus: As long as you continue to pray and offer sacrifices, I will do in your nation what I have said I will do. Not later – but NOW.
- Be careful in this coming season of holidays, do not let spirits of Materialism, Gluttony, Acquisition and Greed overtake you and distract you from **prayer** for this nation.
- **The enemy is planning to overthrow the new administration** even before they can take office. This will not happen if My faithful Gideon 300 continue to pray. Every man counts. Your lives, your faith, your family - indeed your future - lie in your praying hands. Do not be defeated by your own flesh.
- EVERY bit of suffering can be offered up – no matter how small. (full synopsis under **America**)

Pride

~ Your Heart 2: The Power of True Contrition in Spiritual Warfare 14 – November 15, 2016

- The point was **I WANTED it**. And I indulged myself. I wasn't entirely convicted until Ezekiel admonished me not to look at a program about Donald Trump – he wasn't well, and suspected that it had something to do with my behavior. I didn't believe him. But BP brought up Self Righteousness. And Ezekiel got: Lust, Money and Repentance...Ouch!
- I didn't know what I had done, really. When I finally asked Him, seriously, I got Humility – which always points to my **Pride**. (full synopsis under **Clare Stories**)

Satan

His Works Against Man

~God Uses the Worst to Bring out the Best – November 29, 2016

- Indeed, this is My work; **what Satan curses, I bless** and good comes forth from it. You are learning the fine arts of grace and how to flow with it. There is nothing the enemy

can do to any of you that you cannot derive good from. I see to it. I want you to be examples and teach this principle to those around you. (full synopsis under **God/the Father/His Faithfulness to Us**)

~**The Parable of the Guarded Honeybees and the Pilgrim – November 2, 2016**

- This is how **Satan gets direction of our lives**; this is how HE controls us. But in reality, Satan knows what he stands to lose where the honey is guarded. He knows that there is wisdom and nourishment in the ways of those guarded honeybees. And if that soul begins to trust and truly listen they will be armed against the assaults he wants to make on them until they are thoroughly despoiled of their gifts. (full synopsis under **Teachable Spirit**)

Self-Control/Self-denial

~**Do You Love Me? Feed My Sheep – November 26, 2016**

synopsis

- Clare: tells how the **demons had put a spider-web like structure** around her that made her feel separated from the Lord. With one swipe of His hand and a blow of His breath, He took it away. Also, they are still dancing, but this is not a season to focus on dancing, but on other things.
- This message tonight is for those of you facing a **decision to serve the Lord or stay where you are in the world**. It is a message we have all had to receive at one time or another when we decided to follow the Lord into the unknown and out from our security. And in particular, a dear brother who has been struggling to obey direction that has been confirmed to him by the Lord.
- Jesus: **I know what is best for this soul**, to bring him to a place where I can use him further. I cannot soften the assignment – or he will not overcome his fears and forge into his destiny.
- Many do not realize that I **allow circumstances** in their lives because that is the **next step on the road to sanctity**. They are thinking, success, security, peace, happiness the way the world has these things. I am thinking, before you can truly have these things, the real things, authentic peace, security and success. You must conquer the untamed land of your own will and your own opinions.
- Growing up is not easy; nor is spiritual maturity. Learning to **deny yourself** is only one leg of the journey. The other is following Me with **your cross**.
- 2 levels of **obedience**. One: a man chooses what looks best to HIM. Two: coming to ME empty and asking “What do you want me to do, Lord?”
- The one who releases control of their lives over to Me will not fall into these pits, but it requires **death to self-will and personal opinion**, or the opinion of any man, for that matter.
- **This is a season of tests**, to see where you will is, how deep your commitment goes. I test you to see if you are willing to let go of the familiar and secure ground, and go into uncharted territory.
- Spoke of the story: **The King’s Carriage**
- Clare: announcement that the **Portrait** is nearly done. **Rhema** is nearly out. Carol has written a book for young adults/teens called **A Garden Enclosed** and is starting a **Spiritual Warfare book**.

Spiritual Laws

~How Demons Work – Interview w/Dr. Sherry 2 of 3 Spiritual Warfare 18 – November 20, 2016

- But for others, who are having difficulty, not because He wants us to, but because the **seeds are permitting other things to happen and by spiritual law, He can't protect you from that.** You can ask Him to remove it all, but He's taking it as an offering and saying, "Please, please - My children. Please, I'm telling you, clean these seeds at least twice a day." And if you get irritated a lot more, do it right when you do it, as much as you can when you're irritated. Repent and say, "Please remove this." And usually it's a cough, a burb, a sneeze - that's it. They're nothing. (full synopsis under **Demons/How They Work**)

Suffering/Trials

For the Sake of Souls/Simon's Cross

~What I Have Said, That Will I Do/Don't Let Holidays Take You Off Prayer! – November 13, 2016

- Jesus: As long as you continue to pray and offer sacrifices, I will do in your nation what I have said I will do. Not later – but NOW.
- Be careful in this coming season of holidays, do not let spirits of Materialism, Gluttony, Acquisition and Greed overtake you and distract you from **prayer** for this nation.

Of/For the World

~Never Presume & Plot to Kill Donald Trump – November 21, 2016

- I know this is a short message but it is timely and necessary now. By the way, dear ones, I **commend you for your prayers and offerings.** They have been a substantial help in turning certain events away from happening. Please be encouraged and continue on. We aren't quite there yet. (full synopsis under **Trump, Donald – Prayers for His Safety**)

Teachable Spirit

~The Parable of the Guarded Honeybees and the Pilgrim – November 2, 2016
synopsis

- **Clare story:** the guarded honeybees and honey.
- When we have a **fear of anything**, it's usually a survival instinct because we've been hurt before. So we cover up and protect ourselves. We avoid all situations where we could be hurt because we don't want to be controlled by anyone or anything. We don't trust anyone.
- This is how **Satan gets direction of our lives;** this is how HE controls us. But in reality, Satan knows what he stands to lose where the honey is guarded. He knows that there is wisdom and nourishment in the ways of those guarded honeybees. And if that soul begins to trust and truly listen they will be armed against the assaults he wants to make on them until they are thoroughly despoiled of their gifts.
- The only remedy I see for a soul caught in such a pit is **humility**, which the devils have already destroyed by telling them they don't need to know anything further.

- And a **teachable spirit** is needed as well. A teachable spirit is quick to listen, and slow to speak. A teachable spirit doesn't constantly defend their ideas. Rather, they listen and compare in silence and allow Holy Spirit to sort out truth from error. A teachable spirit looks for people wiser than themselves and is eager to learn from them. A teachable spirit is hungry for truth, and that hunger will lead them to abandon any way in their lives they discover is false. The truth and only the truth is their standard.
- There is no such thing as a soul who cannot learn. There is only the soul who WILL not learn, because they are convinced they know it all. That's the saddest state a soul can be in.

Tests for Us

~Do You Love Me? Feed My Sheep – November 26, 2016

Tongues, Speaking in

~How Demons Work – Interview w/Dr. Sherry 1 of 3 – November 19, 2016

- Sherry: It is **best to speak in tongues**. That way, Holy Spirit can pray exactly what you need, take out just what is there and cleanse you. (full synopsis under **Demons/How They Work**)

Election

~The Election: Jesus call for "War Spiritually" – November 6, 2016

synopsis

- My Mercy for this country will be felt tonight. The prayers of My servants have been heard - for they have humbled themselves and sought Me. Shall I not grant them the respite they so desire?
- Nonetheless, he is anointed, because his heart is right. No matter that he is blustery and proud, he is more shrewd than what appears on the surface. As long as that submits to My wisdom, it is a good kind of shrewd.
- Nonetheless, I am with this man, and I will reorder things through him. This nation has made a wise choice and now I can work with it."
- Clare, I have given My angels watch over him, nothing escapes their notice. Your job is to lift him up over the altar every day, Mine is to protect him and his family. I have chosen him, I will not abandon him to the will of his enemies, as long as you continue to pray for him. There will be new hurdles, but together we will overcome them, one by one.
- This is a new day for America. Be faithful to pray, I will be faithful to guide and protect him and his family.

~Trump Wins – The Battle Begins – November 10, 2016

synopsis

- Trump wins! God is victorious!
- Jesus: The fight has only just begun. It will be a long, hard battle to restore American. The brainwashing of the young has caused much division.

- Trump is not ignorant of man's ways. He cares deeply for this country, and has the Lord's vision for restoration.
- Daily prayer is needed now. Pray for the demonstrations to stop, for a peaceful transfer. The future of this nation hangs in the balance for the next 2 years. Pray for peace every day. As you pray, I dismantle key situations making it impossible for them to be carried out.
- You do not see what I am doing behind the scenes but you do see the affects - such as Donald Trump being voted into office, and America succeeding in even having elections when there was a plan underway to stop that from happening. But because of your prayers, it didn't succeed.
- And one last word of caution, do not get drawn into these fomenting political demonstrations which will be used to divide the country and cause civil war.
- Understand that although My disciples did not get involved in political issues, these times are different. You are living in a democracy, and what you cast a vote for impacts your life. When you support those who condone abortion, you are placing a great weight on your own personal shoulders and on your family - as well as guaranteeing judgment on your nation.

Prayer for His Safety

~Never Presume & Plot to Kill Donald Trump – November 21, 2016

synopsis

- Clare: distractions coming against her again to keep the Lord first thing in the morning.
- Jesus: I am here, Beloved. **You are to be there for each other but no one else is your Jesus - only Me.**
- No presumption My Children, **assist one another but never INSist to one another.** Allow Me to work in the soul, allow Me My space in their hearts and spirits. If you are not comfortable with a direction, you should never do it. Rather wait on Me to confirm it. If I do not confirm it, you will be saved from going in the wrong direction. If I do confirm it, you will be more solid in that direction.
- Many **elders in the church have overstepped** their boundaries not understanding that their role is to confirm and instruct but not take over the responsibility of directing a soul to do this or that, and certainly never insisting that their way is right and the soul is wrong.
- Now about this blood thirsty group in the **Middle east.** As I have told you before, this is the seed of Ishmael. And your president-elect has every right to prevent them from establishing a hierarchy in the U.S. Unfortunately, it is way too late for that. However, I will be with him as he cleans out the cells and places of worship from which cobras breed and spread their poison.
- **Clare vision:** I saw a semi parked in an alley in NYC - there are many alleys in NYC. Some with very tall buildings on the sides and some with shorter buildings. In any case, this semi had pulled into the alley and the top opened and a missile began to emerge at an angle. First it was horizontal, and then swung into an angle and was vertical. And then it was fired directly at the top floors of Trump Tower.
- I know this is a short message but it is timely and necessary now. By the way, dear ones, I **commend you for your prayers and offerings.** They have been a substantial help in turning certain events away from happening. Please be encouraged and continue on. We aren't quite there yet.

Suffering for the Sake of

~**God Uses the Worst to Bring out the Best – November 29, 2016**

- Clare: Recap of soul who appeared on their doorstep, they ministered to and gave the Lord's guidance to – and the soul failed to follow through.
- Clare was told from the beginning that it was going to be a **suffering for Trump** and the country. It lasted 2 months. (full synopsis under **God/the Father/His Faithfulness to Us**)

~**Your Heart is Far From Me & Satan's Plan To Stop Trump ½ – November 14, 2016**

- I am not condemning you for getting what you absolutely need. I am warning you of the trap that lies before you every Christmas season. And I am telling you - this country is hanging on your prayers. The establishment is planning outrageous false flags to keep **Donald Trump** from office. World

~**Living in God's Will & Destiny – November 25, 2016**

- Matthew 10:36-37 "These are not just 'pretty' words, these are a rule of life.
- When the conscience of a soul is corrupted by the world, they must constantly have a failsafe net beneath them, and **so they continue to belong to the world** while on the outside pretending to belong to Me. Their life is a confused mess, because they are trying to serve two masters, God and Mammon...or the world and money.
- So, I work with them as closely as they will permit. But there comes a point where I must let them off the hook, so to speak, and allow them to go their own way without hindrance. So, **they go back into the world**, being led again by their own ideas. (full synopsis under **Destiny**)

World Peace

~**A Taste of World Peace – November 12, 2016**

synopsis

- Because you have prayed for this nation, for My will to be done, despite your personal opinions, you shall prosper both in soul and body. You will prosper in a healthy way and your enemies shall be defeated before you. Because you have taken it to heart to cover this nation and president with prayer, and spread the truth, for these reasons will My choicest blessings be upon you and this nation.
- There will be a taste of My government on this Earth - short lived as it may be. Still, the world will know the difference between My Peace and the contrived, staged peace of the elite.
- Clare vision: I saw the nations of the world exchanging goods, ideas, governing peoples, providing for a healthy country, especially in Europe. I saw that America would lead the way, because President Trump would do the right thing by his citizens. And in establishing justice, other nations would follow the example and begin to do things they never thought possible. I sense that the world trade agreements have hamstrung this planet to the point where nothing works anymore, it's being choked out by outdated partisan rules and counter rules. I saw the Lord taking scissors and cutting these bands, releasing prosperity where it had been suppressed and making honest agreements that benefit all rather than the corrupted and outdated system.
- A taste. I am giving a taste of what My Kingdom will be when I come and it bears no resemblance to what the enemy has been trying to establish for the so called 'good' of

the people. The young will respond to this and be amazed that something like this could succeed. It will be short lived, but it will be unmistakable world unity without force and intrigue.

- I am telling you these things because I want you to pray for this. Pray for honest world unity, where freedoms are maintained but a spirit of cooperation inhibits leaders from doing evil to others.
- Lord, how long will this last? He answered, "Two years. Pray for this, My People. It is the opportunity you have been waiting for to bring your adult children back to Me. It is a brief taste of My Kingdom.
