## **JOSH THE BEAR MASK CRAFT**

### **SUPPLIES:**

Template

Crayons

Scissors

Glue

Popsicle Stick or String

### **INSTRUCTIONS:**

Print out the template and color.

Cut out the template by cutting around the edges and cut out the eyes.

Turn the template over and glue the popsicle stick to the bottom.

If you don't have a popsicle stick, cut out small holes on either side of the face and pull and tie a string or strings through to tie to the back of your head.

**NOW YOU HAVE A JOSH THE BEAR MASK!**
