The President's Treetop View

By Diane Lessard, President

I hope you all had a great and safe summer. School is back in session and our open houses were very successful. Our summer has been busy with updates at the clubhouse. We now have eleven cameras installed outside which can be accessed by the police. We have been added to the Daytona Beach Police Department "no trespass" list - when the Palmetto Club is closed anyone on the property is trespassing and subject to arrest. Some of the outside incandescent lights have been replaced with LEDs, the incandescent can lights in the dining room have been swapped out for LEDs, new kick plates/push plates have been installed on the kitchen doors, the thresholds at the entry doors to the dining room have been upgraded for a smoother transition and the dining room floor has been cleaned and buffed. Many of these changes happened through the generosity of a few members.

There are other things that should be taken care of - additional outside lights to upgrade from incandescent to LEDs which will save money on our electric bill, add lights around the bridge for added lighting, a working irrigation system, our antiquated audio/video system needs to be replaced, we need to address the ceiling in the dining room and update the west room with paint and new lighting. Donations are always welcome to the Green and Gold. You may make donations in remembrance of someone, as a thank you for a job well done or just to support this tremendous club. Anything you can give no matter what size is appreciated. This year the Palmetto Club will have 124 years of community service. Let's make the 2018-2019 season the best yet. Looking forward to seeing all of you this year. As always remember to be kind to one another.

Love, Diane

"The Sun Always Rises"

KELLY LOWE shares her story of how she escaped the shadow of loss to discover a beautiful new normal. Her narrative is honest in its lows and optimistic in its highs, and is both personal and universal. Her revelations are simple—as life is often more simple than we make it—yet complex enough that she finds no need to gloss over very real challenges. I believe you'll find her guidance to be wise and easy to follow.

PALMETTO BUCKS

It's easy to earn a Palmetto Dollar.

Each time you attend a meeting, a club sponsored event, bring in a donation for Halifax Urban Ministries, The Humane Society or any other sponsored charity, you will receive a buck.

Better yet, bring a friend to a meeting and get an extra 5 bucks and if they join you will get another 5 bucks and they will get 5 bucks too.

Bring those bucks to our Auction at our last meeting in May and bid and win some great items. Keep those bucks in your smile bag for the big May event.
