## President's Perspective

Good Day Everyone!

Hope everyone is safe, healthy and doing well.

We had two fantastic events this past summer:

We had over 40 attendees at our picnic at Lincoln Park on August 17th...double what we had last year. The weather, food and company was excellent!

The Seattle Hydroplane and Raceboat Museum event set up by Steve Hagen was also a tremendous success. We had over 20 attendees who enjoyed a very

informative tour and yummy BBQ lunch. I learned a lot about our beloved Hydroplanes. In addition, attendees were allowed to have a photo of themselves sitting in one of the boats. Quite fun!

Our next major event is the Holiday luncheon at Ivar's Salmon House on Lake Union on December 7th. We look forward to a good turnout. See details below.

Please note that for the upcoming luncheon and all future events, we will require payment up front. (We no longer can absorb the cost of food already ordered but not paid for.)

Our webmaster, and newsletter editor, Anne Ducey, will be leaving the board at the end of her term on December 31st of this year. She has done a tremendous job in putting out the newsletter and maintaining the RCLEA website. We wish her well in a well deserved retirement from her duties. We are looking for a person to manage our website and put out the newsletter. You do not have to be on the board, though that would make it easier to keep up with what is going in the organization. Please contact Anne Ducey, or another board member if this is a skill you could offer to the organization. (Anne is willing to teach you all the tricks. The newsletter and website only takes 3-5 hours per month.)

The board meets the first Wednesday of each month at 12:30 pm usually at one of the Seattle Branch Library conference rooms. If attending in person is an issue, we can have you on speaker phone at the meetings. We have vacancies on the board and would welcome new members with new ideas and perspectives.

Enjoy our summer in Autumn, one of the most beautiful times of the year. It is also my favorite season.
