

BANQUET FACILITY

## 10 Reasons for choosing CK's Place Banquet Facility

1. **LOCAL, LOCAL and LOCATION.** We are locally owned and run with 100% local employees. The owner Colin P. Kelly was born in Big Rapids and lives just one mile from the hall. He hires GREAT local townspeople to run the Hall & Catering company. We are licensed & insured.
2. **Beautiful country setting** 3 miles south of Big Rapids & Ferris State University. Great for any event, inside seating for 300, outside Sunset Pavilion seats 80. And plenty of room for tents and more.
3. **T. I. P. Certified employees.** Colin & most all of his servers have successfully taken the TIP's course in Responsible Bartending & Serving.
4. **Cooking & catering food for over 40 years.** Adding CK's Place Banquet Facility & The Sunset Pavilion was a natural decision to continue his passion for food service and event planning. CK's opened in 2007.
5. **Our Customer satisfaction is at an all-time HIGH.** Whether you look at Angie's list, Google reviews or just ask anyone that has contracted with Kelly's Catering or CK's Place, you will hear that we are priced right, have great customer service, attentive and all around great to work with.
6. **Award winning FOOD provided by Kelly's Catering.** Our food service staff goes the extra step (mile) in food freshness, presentation, quantity and quality. FREE seconds at the end of every meal. No one leaves one of Colin's events hungry.
7. **Friday setup is FREE.** Whenever possible you and your decorating committee can get in the hall the day before and decorate, have your rehearsal and for a small fee have a rehearsal dinner all at the same place.
8. **FREE video projector & screen, centerpieces, linen\*, set up & clean up.** FREE cordless microphone, security, no time limit and you get to bring in your own BOOZE. This can save you THOUSANDS of DOLLARS alone.
9. **Sampling CK's is an event we put on every spring for you to see our hall in action.** We will have a table set up for you (and 5 friends) to come in and meet our staff, sample our food, meet some local business vendors and get a feeling of what you can expect from us for your upcoming event.
10. **Colin's wife Eugenia owns the LOCAL Tuxedo shop.** We are talking major discounts on most tuxedo rentals\*. For 200 count parties or more.
