Old Business: none

New Business:

Moved by Rob Regan- Pollock:

- Members may use the 6 inch improvement when playing winter rules but you must play from the same lie versus improving to a fairway or lesser challenging conditions.
- Discussion: Winter rules. When playing winter rules, you are allowed to take a 6 inch improvement. The question arises about what happens if you are playing in a bunker or rough, and the improvement allows you to either move you ball out of the bunker or onto a fairway. Is this allowed? To keep things fair during a tournament our members need to play by the same rules.
- Motion 2nd by P Kelly. Motion carried

Next meeting – next meeting June 30, 7:00 PM at Jimy Mac's Pub. All members are welcome to attend!

Meeting adjourned
