

Information Regarding COVID-19 (Coronavirus)

March 13, 2020 5:30 PM

Modern American Cheer is monitoring the latest developments regarding COVID-19 also known as the Coronavirus. Currently, we are not canceling any activities or outside events. However, we will continue to closely monitor the situation and, where possible, will follow the Center for Disease Control (CDC) guidelines for childcare and education organizations. Please follow our monthly calendar and social media for any updates.

At this time, we do not have any knowledge of future events/competitions being cancelled, changed, etc. and will stay in contact with the event producers for further updates. We still plan to attend all events that are still being held that look to conform with CDC recommendations.

Please follow CDC best practices when it comes to you and your family's health and safety. Try to educate yourself and your family from reputable sources like the CDC rather than social media.

We will update you if/when our situation changes.

Thank you for your patience and support.
