FALL 2026

# CREATING A PATH

Robeez gives growing infants and toddlers the foundation for taking their first steps.

Our baby shoes help your little one achieve the very best in healthy foot development, whether it's building arches, strengthening ankles, or improving balance. They're the closest thing to bare feet, so those tiny little toes have room to breathe, stretch, and grow in easy to wear styles, kid-friendly colors, and playful patterns.

## **Features & Benefits:**

- Flexible Sole
- Soft Lining
- Breathable Materials
- Slip Proof Bottom

# WE BELIEVE IN HEALTHY FOOT DEVELOPMENT

We put science first - our soft soles and first kicks are backed by the American Podiatric Medical Association. We know the correct foundation ensures the best health for your growing child.

Because we recognize that no two feet are the same, we are a trusted source in infant and pre-walker shoes for our customers, resulting in unparalleled brand loyalty.

Beloved by parents and gift givers alike, we incorporate the easiest of on/off features saving time, but never sacrificing comfort.

Our styles are unique to the children's footwear category. As the world's premier baby footwear brand, our style is always fun, fashionable, and built for the everyday.
