HALLOWEEN	26 Spiders	27 Spider Webs	28 Halloween Colors	29 Boo!	30 Spooky Sensory Bin	

Happy October Red Owl Families!

We have had such a fun first month of school. We are excited to continue learning and having fun with all of our new friends!

Can you believe it is already October!?! This month we are going to be talking about a lot of fall activities! Fall is Miss Kayla's favorite season.

We will enjoy creative and sensory fun. During playtime we will be using our small and large motor skills. We will continue transitioning from one activity to another with song and poems. We will follow our daily scheduled routine and will take advantage of a beautiful day with nature walks or longer playtime while the weather is still nice.

Please bring a two part snack the first week of the month for 10 children. A two part snack could be a fresh fruit and crackers, or cheese sticks and granola bars. Please no juice. Thank you.

Live loved,
Ms. Kayla
