DESCRIPTION: Walnut and maple riser. Has the customary Herters gold limbs on the back, but black limbs on the face. Overlay tips have been added. No delamination; no cracks; limbs are straight. Tips are in great condition. There are 3 small filled sight holes on the face limb. No chips, dings or cracks. No stress lines or crazing. A few scratches and scuffs on the limbs. There were no decals on the bow—the current decal is a reproduction. This is an attractive old bow. At AMO 68" it is a smooth shooter.
