

## PROFILE

Our level 4.2 team will tailor towards high school cheerleaders/athletes. You do not have to be a current cheerleader for your school to tryout. This team was put together so that athletes could have the all star experience without the cost and less time commitment. Practice will only be once a week and the team will only attend 3 events.

During this tenure your athlete will develop mental toughness, build character, and be accountable. These are some of the best traits an adolescent can learn during this process.

All cost is based on a per athlete basis.
