POST certified and will have to start fresh. The police department is still accepting applications with the hope of getting a qualified candidate within the near future.

The police department has four, Patrol Officers, on the roster. One is currently in the St. Martin POST Academy while the other three are working patrol. Chief brought forth and recommended to the Council an eligible applicant Blake Aleman for hiring. Mr. Aleman does have some experience with law enforcement, has satisfied the agency with passing the psychological examination and approval by RMI for insurance coverage. The hiring of Mr. Aleman will put the police department at five officers and the department would be fully staffed.

In the meantime, chief adjusted the officer's work schedule with some assistance from the St. Landry Sheriff's Office filling in to help so he does not burn out the officers and to give Sergeant Legrand time off. The two new officers will be working the night shift and some overtime to cover school traffic. Sergeant Legrand will still be scheduled to work from 9 A.M. until 9 P.M., with Officer Deville relieve him on Sunday's when needed.

Should the Council approve and hire another Patrol officer (Blake Aleman), they would not need to limit the use of the St. Landry Sheriff's for a few months until he sends other officers to the POST Academy in the future.

The two older patrol units (2009 Nissan Sedan, unit A-3, and 2007 Chevrolet Sedan, unit A-4, will be available for auction for the near future; however, all police equipment (lights, sirens, and decals) will need to be removed. Once these items are taken off, they will be released for sale.

Statistics for the Arnaudville Police Department for the month of February 2022 were: 2 Citations, 8 FIC's, 5 MIC's, 2 Accidents, 3 Assists calls, 16 RTF's, and 51 calls for service. Chief pointed out that during the month, approximately 50% of the time worked by the officers was spent on routine patrol and taking complaint calls for the town. Also, note that approximately five days during the month were patrolled by the St. Landry Sheriff's office where their statistics are not included in the above report. Jamie Huval moved to accept the hiring of Blake Aleman at the approved pay rate (\$13.08 per hour) seconded by Cynthia Stelly, motion passed.

Jamie Huval motioned to allow the mayor to get rid of the old equipment when it is time to do so seconded by Debbie Kidder, motion passed. Mayor stated that this would be advertised, and bids will be accepted, and the bids will be opened at a regular meeting.
