Dear Parents and Carers

### **Bikes in School**

It is lovely to see so many year 5 and 6 children cycling to school this term, however could I please remind you that the children must wear helmets, and must get off their bikes at the school gates and then walk them into school. As soon as they arrive at school the children should lock their bikes up next to year 4, avoiding the gates, which are needed for emergency access.

Thank you for your support.

Yours sincerely

*J. Stevens*
