## STARGATE TO THE GOLDEN AGE OF AQUARIUS - RETURN OF THE TITANS

The purpose of this illustration is to highlight several key and unique properties of the Winter Solstice of 2012. These are related to dates leading up to the infamous Galactic Rift alignment and end of the Mayan Calendar. To many in the world, this alignment's place are said to be signaling the beginning of the New Age to come. There are occurring unique Celestial Signs in the Cosmos. Perhaps these celestial occurrences are highly significant and part of the cosmic 'countdown' to the culminating 'End of the Age'. In part, some of the prominent celestial occurrences were the Pleiades Alignment of the Spring Equinox of March 20th. Then the Transit of Venus and its path through Taurus and Orion and the Sun particularly on June 6. Then the Annular Solar Eclipse of May 20th (320) through Phoenix, Arizona and its accompanied Partial Blood Moon of June 4. The celestial Zodiac Sign of Ophiuchus with Mercury and Venus on the Winter Solstice at the Galactic Center. These events occurring during the 'end' of the Mayan Calendar are associated with certain anticipated prophetic events to usher in the 5th Age.

### CELESTIAL STAR-GATES

In terms of the coming 5th Age, the 1st Stargate was said to have been opened in August of 1999, the 2nd in November of 2011, the last in December of 2012. All the prior ones corresponded to Total Solar Eclipses. The 3rd Gate was waiting for its 'Key' to open it or 'initiate' it as the Luciferians describe it. This is when Ophiuchus with his Caduceus key or Apollyon will open it. The 'Last Stargate' is projected to occur precisely on the Winter Solstice December 21, 2012 at (11:11GMT). It is at this time that the Cosmic Energy rays will be emitted from the Galactic Core. The planetary alignments will produce the Cosmic T-Cross (Ankh), Satanic/occultic that will unleash a world-wide sacrificial frenzy on Earth that will energize the 'Spirit of AntiChrist' to usher in the coming 'Ophiuchus'.

### CELESTIAL CROSS

The book of Enoch tells of the 'Last Generation' in which 'Stargates' will be open to allow the Titans or Fallen Angels that are currently bound to be released. Such will be also the 'Giants' of human mythology of the Golden Age that is to repeat itself. According to the book of Revelation, YHVH will be using such entities to execute judgment upon the Last Generation for its wickedness.

What will be unique about the 2012 Winter Solstice is that there will be an approximate alignment of the planets and the Solar System will be closest to the Galactic Center and Galactic Equator.

## THE NEW AGE

The 'New Age' is a time used to denote a 'time' or epoch when humanity will move into the 'Light' of love, peace and brotherhood. It is a time when humanity will be aided in this transformation of humanity by the return of the 'Ascended Masters' or Guardians/Titans. To the esoteric, it is a restoration of the former 'Golden Age' when the 'Light Beings' once ruled the Earth. These 'Lords' are prophesied to return to Earth. The current Age of Pisces is the age of the 'Fish'. Many ascribe this Age to the influence of Christianity. Most will agree that we are in the closing stages. It is disputed when the official transition of the current Age Pisces to the Age of Aquarius will occur. The Age of Aquarius will be the 5th cycle to come. Each Age varies in time but the average ranges from around 2000 years. The Age of Pisces has been the shortest so far having begun in around 26AD to end sometime within the 1st century of the 21st century, by some estimations. This transition from one 'Age' or Order to the next may take anywhere from 10 to 100 years.
