

The Village of Newark is pleased to announce that it will be part of the VoteTilla event that is a week-long navigational celebration taking place from Seneca Falls to Rochester along the Erie Canal between July 16-22, 2017. The idea for a navigational passage in honor of women's suffrage was first conceived by the Anthony Museum Collections and Education Committee as an ideal opportunity for collaboration and educational outreach. VoteTilla will be arriving in Newark, New York on July 18 at approximately 4:30 pm. Participants of VoteTilla will do a reenactment shortly after departing from the boats. To coincide with this event the Village of Newark will be hosting the first annual Taste of Wayne County along VanBuren Street (from the Veteran's bridge on East Avenue to the North Main Street bridge) from 4:30 pm to 8:30 pm with various vendors from around Wayne County offering their "signature" dish, food, or beverage. The Village of Newark is encouraging all Wayne County businesses that may have something to offer to come be part of this special event. Anyone interested in participating as a vendor should contact the Village of Newark Chamber of Commerce office at 315-331-2705 to reserve a space.
