We all know how important volunteers are to the nonprofit structure. The term nonprofit can mean many things, but for the purposes of this letter, it means ALL kinds of nonprofits: human service, house of worship, membership groups, etc. If you are receiving this letter, you are included.

The Community Foundation of Crawford County, through a gift from Jim Kaiser to honor his late wife's (Doris June Snider Kaiser) years of volunteer service, would like to help the churches and all of the nonprofits serving Crawford County honor their volunteers. This event is free and will feature a boxed supper (for health safety reasons) with public recognition, a program booklet commemorating the honor, and a keepsake that can be displayed or used as a hotplate.

Included is a packet for submitting a volunteer from your church or any nonprofit group with whom your membership might serve. There is no competition. If you submit someone who is a resident of, or serving Crawford County, Indiana, he or she (or a married couple) will be honored at this event. This packet is available in Word format by emailing me at charbeson@cf-cc.org.

Please help us spread the word and honor our community's most humble servants in your church or organization. Our community can always use the encouragement that seeing the good works of other people can bring.

Sincerely,

Christine Harbeson

The DJSK Volunteer of the Year Award Submission Packet

Submissions are being accepted now for the 2022 DJSK (Doris June Snider Kaiser) Volunteer Award. This is not a competition, but a way to honor one of your volunteers.

The DJSK Award seeks to honor volunteers (one per nonprofit organization) who have made a significant impact on a Crawford County-serving one or more nonprofit organizations, and thereby all of Crawford County through his or her volunteer efforts. Each nonprofit may submit one volunteer or married couple/partnership for this event.

The Honorees' meal, award, and commemorative booklet will be paid for by a grant from the *Doris June Snider Kaiser Endowment Fund* at the Community Foundation of Crawford County and through a sponsorship this year by **Duke Energy**. Because of this sponsorship, **five** additional guests of the honoree may attend and receive a free meal. Due to ongoing health safety concerns, tables are set to seat a maximum of 6 individuals. We will not be able to take additional reservations beyond this count. Reservation forms will be available by June 1 and must be received by June 15 for catering purposes.

Your submission secures an award for your honoree. This is not a competition, however it is essential that your honoree is aware of this award and will be able to attend the event.

This award will be presented at a program with dinner, at **6:30 PM on Friday, July 1, 2022 at Crawford County Community Park, in Marengo on Hwy. 66**. Dress: Business/Business Casual.

Submission packets must be complete so the CFCC can treat each honoree fairly. Submissions are considered final as submitted and become the property of the Community Foundation of Crawford County. They will not be returned.

I grant permission to the Community Foundation of Crawford County (CFCC) or its assigns, to use in print, electronic, video or audio format my voice, image or likeness. I, on behalf of myself, and my heirs and assigns, release the CFCC and its assigns from any liability or claim arising in any way from any use of said audio, image or likeness, including but not limited to claims with respect to copyright ownership and publication, express or implied inaccuracies, disclosures, innuendo, or any claim for compensation related to the use of said audio, image or likeness.
