

Letter of Recommendation

Nick “Coach” Roth

For Appointment as Lieutenant Commander
International Legion of Honor

To Whom It May Concern,

It is my distinct honor to recommend Noble **Nick “Coach” Roth** for appointment to the position of **Lieutenant Commander in the International Legion of Honor**.

Noble Roth has demonstrated a long and distinguished record of dedication to Freemasonry, the Shrine, and to patriotic service. He was **raised a Master Mason in 1985** and became a **Shriner in 1989**, beginning a lifetime of active involvement and leadership within the fraternity.

His service to the Legion of Honor and the Shrine is both extensive and commendable. In **2010**, Noble Roth served as **Commander of the Abou Ben Adhem Shrine Legion of Honor**. That same year he also served as **Rajah of the Pulaski County Shrine Club**, demonstrating his ability to lead and support Shrine activities at the club level. He later served as **Trustee of Abou Ben Adhem Shrine in 2017, 2018, and 2019**, providing steady leadership and oversight to the Temple.

Noble Roth continued his dedication to Shrine leadership when he served as **Rajah of the Laclede County Shrine Club in 2022**. His service extends beyond the Temple level, having served with the **Central States Shrine Association Legions of Honor from 2020 to 2021**, supporting the mission and fellowship of the Legion across the region.

Outside of the Shrine, Noble Roth remains deeply committed to the veteran community. He currently serves as **Senior Vice Commander of VFW Post 6138**, continuing his work in support of veterans and patriotic service.

Nick “Coach” Roth has consistently demonstrated the leadership, dedication, and character expected of those who serve in positions of responsibility within the Legion of Honor. His long record of service, both within the Shrine and in support of veterans, makes him highly deserving of appointment, or elected to, as **Lieutenant Commander**.

It is therefore my sincere and enthusiastic recommendation that Noble Nick “Coach” Roth be appointed and/or elected to this position.

Respectfully submitted,

Michael Driskill
