5:00 PM

Bold in attendance

President – John Berglind – Friday night football is just Varsity game @ 7. Sophomore is Thursday night. So, we will need to find another source of income to fund our wishlist.

Thursday night: Freshman and Sophomore football games; 4:30 start—probably no concessions, depends on volunteers and if we get a lead.

Friday night: Varsity only—no Chik Fil A; limited outsourced items. Nothing Bundt Cakes contract is done. They will be selling at home games. Concessions opening will depend on if we get a lead and volunteers to support.

Note for any type of graduation sales at NIU—preapproval is required. Flower sales were turned away and vendor left because we didn't have preapproval which we didn't know was required.

Vice President – Denise Calzaretta –

Secretary – Laura Keefer –

Treasurer – Laura McCarthy – WCW inventory results needed to close out books. Will get permit for raffle in the works.

Athletic Director – Branden Adkins – Have had low attendance at presentations for Freshman Orientation. No Family Athletic passes at all being sold in D204. Current wishlist items at \$23,335.83. Banner/sponsorship in Branden's office. What are we to do with it? He will hang it this time but we need a plan to take it down after football and rehang inside, etc. Custodians probably cannot take on this responsibility so it lies within our board.

Wildcat Wear – Ellen Drake & **Courtney Rathell** – Opened for Readiness Days on Tuesday and Thursday, not enough volunteers for Wednesday – New products have been received, checked-in, folded – Ready for Open Houses on Tuesday and Thursday – A few items are yet to come but new items that are out have been well received. 9:15-1:30 Friday store hours; none at Birkett—no volunteers and past history has been low sales so may not be worth the effort.

Website – J.R. Gray – will push sponsorships on website.

Membership – Angela Magee – Things are definitely more challenging with no packets and everything being online – Met with committee members & made a plan – Doing the biggest push at Curriculum nights at main & BFC – Handing out paper sign-ups with ALL WCW purchases is a must at this point

Sponsorship – Karen Sanders – Will meet with committee members soon – One banner sponsorship with a few interested parties, needing to follow-up

Concessions – NO ONE – Jim Bergeron is our certified person & he met with the Health Department as well as John & Ann (from my understanding) everything is good to go

Volunteers – Maria Poedtke **w/ Tracy Modaff** – We need to get her approved – At the moment she is working to schedule & fill all slots for this WCW season – We have a few dates picked for the winter sports too – Haven’t connected with the Football parents yet – I have a meeting scheduled for Wednesday, August 14 at 7P in C118 Library Conference Room

Social Media – **NO ONE- JR and Tracy will cover temporarily**– We need to get more of a presence on FB & Twitter to be relevant

Scholarship – **Tracy Modaff** – Updated information sent to the College & Career Center to be updated for the spring due date of March 9 for 2020 applications

Fundraising – **Tracy Modaff** – Carnival \$5602.19, Kane County Cougars \$348.00 received with \$200.00 deposit sent our profit is \$148.00 – Ring in the New Year Raffle, early kick-off at the October 4 Homecoming Game. Actual kick-off will be with the winter sports Friday, November 1 with sellers drawings on Fridays in November with first one on the 8th, daily drawings in December just like 2019. Dedicated 50/50 person of interest; chuck a duck will be making a comeback and indoor contests Looking at Topgolf Winter/February fundraiser.

– Meeting with Committee Soon: followup—4 people in attendance at 7 p.m. meeting; good possibilities
