Note 1: It is suggested for CRN Registration in all provinces and territories in Canada budget between \$ 4,000.00 - \$ 6,000.00 in regulatory fees.

Note 2: The above information is to be used as a guide only. Actual CRN registration fees may vary.

Note 3: Reciprocal means BC will issue you a BC CRN if you already have a CRN issued for the product by another province. When this happens they charge the reciprocal fee.
