

PRESS RELEASE — JUNE 11, 2020

Continental Divide Sports Car Club of America Partners With AUSA To Pursue
Military Site for RMSolo

*Names Pikes Peak Chapter, Association for the US Army (AUSA)
their 2020 Charitable Recipient*

In September of 2019, SCCA CDR reached out to the Colorado Springs military community to inquire about staging RMSolo events at National Championship-quality sites on post. Those discussions, once delayed by the shutdown, are now both proceeding and promising.

Our efforts are focused on the **Arrival/Departure Air Control Group (A/DACG) site**, located on the southeast corner of the Colorado Springs Airport. It measures 650' by 2000' and the surface appears suitable for national-quality competition. It is our hope that RMSolo can benefit military families by engaging them in our program, as well as bring an SCCA Solo National Tour event back to Colorado Springs.

A/DACG is also the site of the annual [Pikes Peak Regional Air Show](#), whose promotional flyer contains maps and parking info.

Our partner in this venture has been [the Pikes Peak Chapter of the Association for the US Army \(AUSA\)](#), who enthusiastically embraced our proposal as part of their Educate/Inform/Connect (EIC) program to benefit military families. They have led the charge for us with the leadership of the 21st Space Wing, Peterson AFB and Fort Carson, making connections, navigating our path and guiding our message.

For their tireless commitment to military families and their energetic support of SCCA RMSolo, the **Pikes Peak Chapter of AUSA has been named as the recipient of our annual Axis vs. Allies doubleheader charitable effort.**

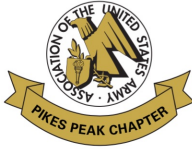

You can [donate to the AUSA and receive an emailed tax receipt here](#). Or, click on the "Donate" button at the top of PPC-AUSA's website homepage at <https://ausappc.org>. Tax receipt also will be emailed. Please enter "SCCA" in the "Add Special Instructions To The Seller" field. You can also bring a check made out to PPC-AUSA, or cash, with you on Saturday or Sunday.

Please give generously to help those who are helping us, as well as supporting our troops!

Pikes Peak Chapter Association of the United States Army

“VOICE FOR THE ARMY—SUPPORT FOR THE SOLDIER”

Since 1950, the Association of the United States Army has worked to support all aspects of national security while advancing the interests of America's Army and the men and women who have served, are serving now, and who will serve in the future.

The AUSA is a private, non-profit *professional and educational* organization that supports the Regular Army, National Guard, Reserve, Retirees, Government Civilians, Wounded Warriors, Veterans, and concerned citizens. AUSA provides numerous professional development opportunities at a variety of activities both local and national.

One of 122 chapters worldwide, the Pikes Peak Chapter (PPC) serves as a liaison between the Army and our local military and civilian communities throughout southern Colorado. We assist in educating the public about the Army's role in the needs for a strong national defense, as well as the very significant economic impact our Army and other military organizations have on our local communities and the state of Colorado.

Most importantly, we plan and execute a variety of community programs and events in support of our Soldiers and their Families, whether at home station, training remotely, or deployed into combat operations, having left their Family members at home.

The Internal Revenue Service has granted AUSA exemption from federal income tax under Section 501(c)(3) of the Internal Revenue Code.
