

Moment of silence

Again, I ask for anyone that doesn't get on FB to check reminders, happenings and other region events to please give me your phone number so I can call or text. I have been doing that for three members and it seems to

Work out ok

So, we got our patches for our rockers. Thanks, Joan, for sewing our rockers on our flag. You are the best!!!

Harley Gliders 6/5/21

Sold 5 signs

37 bike tickets

Lots of letters signed

Bubbas we got over hundred letters signed and sold lots of tickets.

Thank you both for your support

Jason Wentworth

Coffee hour he was not there sent a staff member who knew nothing. Please sign letter if you haven't done so to each one of our reps, we will mail them

We need to call email pony express FB whatever we need

We went over all the great fun we had at the Field meet and looked at how people liked the location.

The dust and gravel road were a concern for them, the campground is hoping the city will pave the road this year All in all good time had by all

Seminar is also being worked on at this time. Lots of breakout sessions to learn and relearn, music, live auction, silent auction and so much more. Watch for the flyer in the rider

Don't forget your membership must be current for thirty days to be able to vote for any new board members or bylaws in January

Bike tickets are being collected and sent in. If you haven't given them to me, please make arrangements with me to pick them up. I will meet halfway between my place and yours. I want to thank you all for all the hard work to get this done. By this time next month, I hope to hear someone from region 6 won. Lol Renew Abate memberships

Watch for MRF reports and get MRF memberships

We need someone to become the MRF rep for our region. I will hook you up with Jinx, but you must be an MRF member.

Stopped at tipsy cowboy for charity run sold twenty tickets thanks to Jerry and Bea for letting me know. If someone has a run or knows of one let me know so that we can be there.

Meeting in September

At Bea and Jerry's?? 11:00 I'll put in rider September 19 or September 12 with cricket running the meeting as we will be at 9/11 for bike drawing and don't know if we will make it back in time. It was voted at the last meeting to have it on September 12 but will also have one at Jerry and Beas. I will let you all know in the rider what is happening. But come to October meeting as we will be crazy busy that month.

November is elections please turn in in October if you are running so ballots can be made

Anyone that is interested in heading up a run or an event please let Rick and I know

Bubba has said he will help us get more on the map. He will use his email and FB tree to invite people's that he knows. Looking to do an awareness run in May 2022 we will be putting together a committee to do this. We will start at his place and end up at a location to still be determined

We will need all to help with this to make it a success.

Signs are available and we will be getting some from the state of Michigan to give out to any of our businesses and sponsors. They are free for this reason. They are not for members they are for businesses and sponsors. We are even thinking to donate to the mayors, let me know what you think Randy wants a ride every Thursday to promote abate. He wants to go to different bike nights in each county to get ABATE's name out there, be it selling tickets or membership.

If you would like to do this, please let me know via FB or text.

Upcoming events will be our Christmas party on December 11 at Roadside. If anyone has another location that has the room for us to conduct a meeting, please bring that up at our October meeting. So, in a nutshell October is the month to run for a position October is the month to let the region know of any bike nights near you October is the month to see if we want a new location October is the month to plan next year's events October is the month to see what fun things, we could do in the omg bad word here WINTER.

So come out bring a friend enjoy some of the greatest folks around.

Cricket has been working very hard on the LO front from going to Annette Glen office to talking and getting Timmy Beson to come to our way of thinking on our insurance bill. We are having issues with the committee and of course Jason Wentworth. Some are saying we are not paying our fair share. Really??!! Cricket is very passionate about helping to get this bill passed and hopes everyone will get on board and do their best to make our voices heard. If you have questions for him, please message him on our page. He will fill you in.

Life is so short my friends. Hugs the ones you love, get in the wind with the sun shining on your face Hope to see a lot of you at 9/11 in Wolverine It's a great time and gets the job done. See you all soon

Merry

RC Region 6
