International Imperial Court
PROCLAMATION

ON THIS DAY OF JANUARY 1, 2025
WE PROCLAIM THAT 2025 WILL BE KNOWN AS
“A YEAR OF ACTIVISM”

The LGBTQ+ community's fight for full equality is the last civil rights movement of the 21st century. A war waged against our community has been declared by the ultra-right, with over 500 anti-LGBTQ+ bills being introduced in state capitols across America. Let 2025 ignite a renewed commitment to activism and action. Let 2025 become the year that a hate crime against anyone becomes a hate crime against all of us.

The International Imperial Court Council and the National LGBTQ Task Force will join forces to inform and educate our LGBTQ+ communities on plans of action to fight the ultra-right.

We call on everyone to rise, speak out, and stand up for equality, justice, and positive change for all communities.

It's time we stop pointing fingers at each other and start extending hands to each other.

In 2025, the International Imperial Court System says to all:

We are never going back in the closet!

This reign started off very rocky for me with the death of my father. I am so extremely grateful for everyone in the court system that reached out to me and provided me with comfort and friendship. Now it's time to kick our fundraising efforts into high gear as there are many more people out there who need that comfort and friendship. The next two months are busy ones but as always my door is open for anyone who needs support or just a listening ear. Happy new year to everyone. Let's make 2025 amazing!!
