

*5.0 out of 5 stars* I could not be happier. These units are remarkably durable

By [Hector E](#) on July 13, 2016

In the past 21 years I have had my wine cooling unit with the Breezaire WKL 1060. This being my second unit, I could not be happier. These units are remarkably durable, to the point that I never had to have any service done. They definitely are worth the money and deserving of my 5 stars!
