The Spirit of the Lord says that this May is a month of double grace! You will experience the depths of grace of God like never before. He is giving you another chance! He is returned everything that you lost with interest! You will get double for your trouble.

I am calling you to arise out of the darkness and depression that has tried to come against you. I am breaking every limitation you are facing. You will see My goodness and taste of the land of living! You will know the richness of My presence. My grace is about to cause the things in your life to move into motion.

This is the month when the delays stop. Some of the previous delays were the enemy. Other times they were divine delays to protect you because you weren't ready. But now you are. The areas where you have been stuck will suddenly break free. His grace is like oil and it is lubricating every dry area of your life. Get ready for acceleration! His grace is available to you liberally.

The grace of God will touch your lost family members. The grace of God is going to overtake your ministry. The grace of God is going to change your marriage. The grace of God is going to give you the opportunity to step out in faith again and do what the Lord told you to do instead of playing it safe.

Even those dreams that you were afraid to step into... the Lord says there is a grace to step out again and move into your destiny. He hasn't given up on you. He is calling you because He has chosen you!

Just like a spring flowers bloom so will you bloom in this season. You will shine like the sun. You will know the power of My grace and resurrection. You will be a light to the world.
