## Glen Rose

### Left-hand, Right-hand Independence (36 minutes)

**00:00** Introduction

**01:20** Piano Bench talk – get rid of it!

**05:40** Independence games. (away from the piano)

Get the hands to work independly but coordinated together

**11:19** What's next? Independence games

Reverse the direction of the finger movements

**12:49** four-fingers - Independence games

**12:49** Play the piano - apply the Independence games

**16:46** Move the two right hand notes to dfferent locations while continuing the left-hand  
- rocking movement

**21:40** Reverse the right-hand finger movements

**23:08** Play with three fingers in the right hand

**25:28** Play with four fingers in the right hand

**29:12** Mix the various right-hand elements. Keep the same rocking left-hand

**32:22** Play with five fingers up and down in the right hand

Next see the lesson, "*The Joy of Scales*", to see how to work in other keys and how make scales creative and enjoyable
