

Covid-19 Procedure at Rose Holistic

Updated in line with Lockdown 2.0 requirements

- Client appointments limited to 45 minutes
- 15 minute buffer between appointments to clean door handles and further contact surfaces
- Clients to remain outside in their vehicle, until invited into the clinic
- Clients requested to wear a face covering. Offered disposable mask if one is not present
- Contactless temperature check of client upon entry into the clinic.
- Clients requested to deposit all belongings in sanitised box (cleaned after each use)
- Clients requested to wash hands immediately
- Clinic area to be ventilated
- Contactless payment method preferred
- Appointment booking process incorporating Covid risk assessment questions.
- Appointment booking process and reminders, will include symptom check and instructions to reschedule if any are noted.
- All neck procedures to be completed from behind the client
- Pedal operated bin has been installed to dispose of removable couch covers and all cleaning materials
- Practitioner to wear a mask and visor at all times.
- Regular hand sanitising by the practitioner
