##### ~ Did Marines Storm CIA Headquarters? Yes, They Did – November 29, 2017

synopsis:

- Clare: from private sources the Lord has brought some developments to my attention
- He said, "There is a war going on now. **Last weekend, the Marines took over the CIA, the FBI, and the NSA, and many people will go down.** One of the things the Deep State has done, it has slipped "Mickey's" in the drinks of many in Congress, to take photos with underage children, to 'get the goods' on them and keep them in line. Many in Congress are CIA sponsored pedophiles. They know how to act like Christians, like the Bush's do, but like the Bush's, they are Satan-worshipping pedophiles."
- Going back to my source. He said, "**This is almost a winner-take-all battle.** Not sure from a military point of view who will win. I know two of God's suffering servants are doing extra right now. I know that the King of Kings will prevail and clean up the cesspool. It's a very big, organized-crime cesspool with many players playing both sides in, as in Spy vs. Spy vs. Spy-type of scenario. When you see people like Hillary, McCain, etc... in walking boots, it is hide their house arrest ankle bracelets. So, of course, the mainstream media isn't reporting any of this.
- But **Hillary and Chelsea both have these big boots on**, that look like they've broke their ankle—right? And **John McCain also**. It's kind of strange. And then you'll notice that they switch sides. So... first they broke their right ankle and I guess they get better overnight, and broke their left ankle? It's really hilarious...
- **Anthony Weiner's laptop** was a treasure trove of Deep State crime syndicate information, including the Clintons' sexual assault of minors and Podesta's Satanic rituals. The FBI was going to sweep it under the rug, but the NYPD got the information to WikiLeaks as a failsafe. WikiLeaks has it distributed as a failsafe, if Julian Assange is murdered. That's all I am confident about. The good guys are winning, so far, but that can change quickly."
- "**MS-13, Clinton-Bush operatives, members of the House and Senate, state and local officials.** Many will be tried by military tribunals for treason. Others for child trafficking and murder. Some for electioneering and voter fraud."
- "**The CIA under Bush 41 is running drugs and reaping profits for Black ops and the Bush-Clinton crime family.** Trump is **bombing the drug factories** and has seized assets close to \$100Trillion. The 35% tax rate would change the deficit to a Surplus. He arrested the former Federal Chairman to reduce the criminal control of the money supply."
- "There are over **4,000 sealed indictments** around the deep state. MS-13 being the hit squad and child kidnapping squad."
- "**If President Trump, with God's help, pulls this off—America will be a nice place to live.** I don't know when it will all come down, but it will be interesting if it happens. Mueller signed off on the selling of US uranium to Russia, so he's either a complete idiot or as crooked as they come. It will be very interesting to see what happens. I pray the pedophiles are all caught and put behind bars for life. The traitors should get severely punished. Every one of these criminals should have all their assets frozen and turned over to the Treasury."
- Similar reports were from April LaJune and Hal Turner
- So. **The Lord is calling for our prayers.** He wants us backing the President. He wants us backing everything the President is doing. And the success and the outcome of these things that he's doing depends on our prayers.

- Jesus: **There is not going to be a war.** I give you my solemn word on that. No war. This will not happen; it cannot happen, because My Father will not allow it. No matter what kind of show Kim gives, he is NOT God. He may think he is, a supreme being above all others, but in actuality he is a very little man in pants that are way too big for him and they are coming down to expose his nakedness.
- Yes, this would fit Obama's agenda to a "T" but neither is Obama God, though he would like to proclaim himself as such.
- There is way too much to be done. **It has been begun and it will be finished.** What I have done and am doing with this country will come to completion. I just need for you all to be on the alert and pray for your president.
- **I want to enlist every dedicated prayer warrior with the facts and this will be over soon. I need knees on the ground, backing your president's every move.**

~ **SERIOUS!! AMERICA UNDER SIEGE & Have You Ever Lost It? – November 29, 2017**

synopsis:

- Clare: Another round of temptation/fall/sucker punch...! **This time, all about self-denial.**
- The Lord told her 'no' about purchasing what she felt was valid – and it opened the door for a demonically driven, physical hurt. **Clare's anger swelled** – and needed a great deal of control between her and the Lord to sidestep it.
- **Three rhemas from the Lord:** "Your effort (to control yourself) is pleasing Me. You are My delight." then "I have not ignored the suffering of the afflicted one..." Finally, "Tomorrow is a new day. Apply yourself, Clare." The Lord is gracious and kind...
- Jesus: All of you must **keep a very serious watch over your affections and desires and not be subjected to your flesh.** These holidays are going to be turbulent for those who are not prepared. Get your houses in order, rededicate your priorities and stay in prayer.
- **There are assignments being sent out to disrupt the holidays and cause mass confusion.** There are things going on in your government that are critical and require serious prayer, My People.
- The enemy would like to see you feasting in self-indulgence right now; please don't do that. **Stay trimmed down like a soldier of Christ,** who does not get bogged down in civilian affairs. You will not be prepared if you give yourself slack. Stay in prayer, read the Scriptures, especially praying and opening to what My Spirit leads you to. Read between the lines, take your time and absorb what I am drawing your attention to. Meditate on that.
- **Your president is not draining a swamp; he is draining the Great Lakes.** What he is doing will affect every state and shake the wicked foundations of this nation. He will make America great again, but not without your prayers. He needs you now more than ever. Do not be slack. Purpose in your hearts to deny yourselves, pick up your crosses and fight for your nation.
- Do not allow anything to shake you from the firm resolve that evil is being overturned and it will be messy. **The greatest gift you could have from Me is your nation back.**

## Clare/Paintings

### ~ Fear of Failing – November 18, 2017

- Jesus: Clare, I want YOU to **work on the portrait of My Father**. I want My children, My people, to understand Who My Father truly is. You have experienced His genuine tenderness. Oh, Clare there is so much more to Him I want you and Heartdwellers to know! So much more. Sometimes, oftentimes, a picture is truly better than a thousand words.
- Nevertheless, **it is important to disclose His sweetness right beside His powerfulness**. It is important for all to understand: His sense of justice is born from ethical standards that are for your good—and He hates to see the alien and the widow mistreated. Anytime the downtrodden are abused, His heart is crushed. And He longs to rush to their rescue.
- **He tenderly loves His creatures**, and the co-creative process by which the world and its creatures were created—and it grieves Him deeply to see it destroyed. Satan has most carefully targeted the areas that bring Him the most grief.
- I would rather all that **look into His eyes see their future with Him in Heaven** and how extraordinary His love is for them. You can do this with My help. You can. (full synopsis under **Fear**)

## Corrections

### ~Running Ahead of the Lord—A Correction – November 10, 2017

synopsis:

- Clare: there's a **campaign out against us**, to get us going in the wrong direction.
- **I got ahead of the Lord**. He had told me some months back that He wanted me on the radio. Well, a lot of things got in the way of checking that out. Not the least of which was the intimidation that comes with expanding in a new direction. Balancing new steps against taking care of what has to be done every day is a daunting task for me. I'm extremely careful with my time. And of course, I am fighting resistance the entire way. So, I tend to overdo it... and that's what happened this week.
- I went rushing ahead and I was irritated with myself because I hadn't gotten into prayer right away, in the early part of the evening. And **Jesus wanted me to slow down and consult with Him**. Thank God for my husband. He caught it.
- Jesus: This is not easy for you. You tend to plow into things just to get them done. **But you must be much, much more careful and move more slowly in making decisions**. The devils are always in a hurry, trying to make sure you speed into something, before you discover it's the wrong direction. On the other hand, I am always gentle and balanced.
- **This is one of the tactics of the enemy** I wish for you to talk about. This sense of having to rush and plow through is a very popular tactic to cause My vessels to make wrong choices. It is popular, because it is successful. But I would rather all of you, My Brides, would do nothing rather than run ahead because you feel pressured.
- **The main point** I want to get across to you, My Heartdwellers, **is now that some of you have caught the vision and anointing, be careful not to rush into anything**. Be careful about each step forward, because the enemy sets traps. If he can't get you to procrastinate or avoid implementing the vision and gifts I have given you, he will rush you into things that were not meant to be or cause you to be so tied up in this new direction that you neglect the important things that are already in your lives.
- Just be on your guard and **move forward carefully**. Always remember: I do not rush you into anything, but the enemy does. This is a warning sign for you, a flashing yellow light: Be careful! Danger ahead!

## Demons:

### Demons: How They Work

#### ~At Odds With Jesus – November 3, 2017

synopsis:

- Clare: **Well, I indulged myself** and went back to a site where something I really wanted, but was not allowed to get, was located. It's a red glass heart bead that represented changes in my heart to me. Well, it was a steel trap. It came down on me like lightning. I was caught, injured, sidetracked, and so emotional and angry I couldn't do anything last night. Not write, play music, only a little correspondence. And it was a big mistake.
- Jesus: But I want to warn all of you, Heartdwellers, **avoid every occasion of sin**. If you know something fascinates you and takes you off course of what is important to us, there is a likely-hood that a trap has been set for you. And if you indulge your curiosity, thinking you can stay clear of capture, you are mistaken.
- **And all the time your resentment is brewing, 'Gee, Lord, is it really too much to ask?'** And now you've entered into bitterness. If you had stayed away from that temptation, you never would have been hurt, spending a lot of time crying. You never would have been wiped out at the end of the day before you even began the work on your keyboard. You never would have lost all motivation—except to find a hole and pout because I wasn't being fair.
- **How ignorant do you think the demons are, Clare?** I can assure you they are not ignorant and they take note of every passing feeling and those things that could trip you up in the future. They calculate these things.
- It seems like a foolish thing to you, but **because it matters and it hurts, it carries more significance** and that pain you feel can be offered for those who are really suffering. In the light of eternity, you will be very shocked at how much you valued things that were worthless.
- **Call on Me in your hour of temptation and I will deliver you.**

#### ~Running Ahead of the Lord—A Correction – November 10, 2017

#### ~ The Seasons of Life – November 17, 2017

- Some of you are experienced the not-so-good birds of the air sweeping down and stealing the seeds right out of your soil.
- But the **evil prince of darkness is not done yet**; he is preparing grasshoppers and beetles to destroy those shoots and consume the larger leaves, leaving them barren.
- **What is the number one way you leave your garden unguarded? Self-love**. Self-love begets attachments, agendas, ulterior motives, while brotherly love begets charity, patience, kindness and a willingness to serve without a reward—other than My happiness with you—and for the good of others. This, indeed, is the secret to lasting happiness and peace. Where

there is no attachment, there is no struggle to protect and put forth, only a peaceful river flowing in My grace carrying you to your destination. (full synopsis under **Self-Love**)

## Discouragement

### ~ Conquering Resistance – November 11, 2017

synopsis:

- Clare: I haven't honored my husband the way I should. I do get irritated when it is not convenient, but then I remind myself how happy I am to have him with me and I correct myself.
- Jesus: But I ask you: **why are you so slow to call on My help and expect it?** Have I not told you, that as you pour yourself out more and more for others, you will have more and more strength from Me?
- Clare: Lord, I forget!
- Jesus: **And you have those who help you to forget** and suggest that you should instead be irritated and disrespectful...not so it shows on the outside, but deep down inside where it poisons your heart and drains your energy. I am so glad you are addressing this grievous fault, My Daughter. Show your love for Me through him, and be a joyful giver.
- **Knowing that you have failed in some way is never easy.** This is the test of a man or woman's nature: how do they interact with difficult and fatiguing circumstances when they know they are under correction? You see, this is good for you, very good for you, because it is causing you to pour more of yourself out selflessly on behalf of another.
- Because many scores and scores of Heartdwellers are going through the very same sadness. **They have the gifts, but practicing them goes through elusive periods that are very disheartening.** I wish I had a quick and easy answer, but I don't. All I can tell you, My very dearest ones, is that breakthrough is coming, deliverance is coming, and until then I need you to carry this cross with resolve and dignity. Knowing that this will not last forever, there is an end in sight.
- Some of you have jobs and children and responsibilities that demand a certain amount of time. I do not expect the impossible. What **I do expect is slow, steady progress— pressing in, no matter how slowly you perceive yourself going.** For those who do not give up, breakthrough will come and the greater the struggle you had, the greater the breakthrough you will have.
- I will, however, put you in a position where you must decide what is most important to you. And by this you will either stand or fall. Choose only the better part. **Choose only the skill sets I am cultivating in you.** Choose only to honor your husband and be faithful to your state in life, as well as the Channel and the dear souls who love and pray for you.

### ~Pick Yourself Back Up—I Will Carry You – November 8, 2017

synopsis:

- Clare: I've received a word from one of our intercessors that **all ministries that have been birthed under us are being targeted.** So, I want you to be encouraged. If you have been hit really hard or feel like you can't stand the heat and have laid down your calling, please let me encourage you—this binding prayer will really help.
- Jesus: **Do not be put off by discouragement.** It is only temporary, if you will press through to Me and call upon Me for help. Fatigue, disappointment, opposition—all these things are merely smoke-screens to knock you out of your calling. I will help you if you will turn to Me

wholeheartedly, and not rely on your feelings or senses, but walk by Faith, fully persuaded that what I have given you to do, I have also equipped you to do.

- But if all you live for is to **impress others, I did not give you an assignment**. That would put you in harm's way, lest you fall—seriously.
- **The enemy is counting on your failures of the past to cause you to quit**. But you are here, now—and you have learned that with Me, all things are possible. Cling to that, Beloved, cling to My omnipotence and you will be unstoppable.
- Clare: **update on Taos** and what we are doing for the Mesa and Reservation people.

## Fear

### ~ Fear of Failing – November 18, 2017

synopsis:

- Clare: reads a letter of encouragement she wrote to a friend about not giving up on a painting project – to be **fearless in the Lord in trying new things**.
- Jesus: Clare, I want YOU to **work on the portrait of My Father**. I want My children, My people, to understand Who My Father truly is. You have experienced His genuine tenderness. Oh, Clare there is so much more to Him I want you and Heartdwellers to know! So much more. Sometimes, oftentimes, a picture is truly better than a thousand words.
- Nevertheless, **it is important to disclose His sweetness right beside His powerfulness**. It is important for all to understand: His sense of justice is born from ethical standards that are for your good—and He hates to see the alien and the widow mistreated. Anytime the downtrodden are abused, His heart is crushed. And He longs to rush to their rescue.
- **He tenderly loves His creatures**, and the co-creative process by which the world and its creatures were created—and it grieves Him deeply to see it destroyed. Satan has most carefully targeted the areas that bring Him the most grief.
- I would rather all that **look into His eyes see their future with Him in Heaven** and how extraordinary His love is for them. You can do this with My help. You can.

## Holiness

### ~ The Hidden Life of Integrity – November 21, 2017

synopsis:

- Jesus: Do not be too hard on yourself. You are moving along at a steady pace and that is all I want for you. **I am not asking for great works, rather steady progress**, perseverance, dedication, and denying yourself those things I have warned you about.
- So many become easily discouraged when they don't make the mark they have envisioned for themselves in the time frame they had in mind. **The truth is, it takes time to make the mark and it cannot be rushed**.
- **Repentance is at the very core of holiness**. How can I give gifts to those who waste them? There must be a deep-seated abhorrence of sin, and with sin I add: wasting time on things that are innocent, but not for Our best interests.
- Precious Family, **do not expect instantaneous victory and accomplishment**. We are in this for the long haul, and every time you apply yourselves, you get closer to your dreams coming true. Some of you are frustrated over obstacles. I am there with you and there is breakthrough coming; persevere.
- **You cannot go on to the next level without finishing the one you are on**. And when I say 'finish', I am looking at many things, not just the accomplishment itself. Things you learn on this level will prepare you to go deeper on the next. So, linger on these things when you feel

challenged by them. Camp out there for a while and see the richness in possibilities when you do accomplish it without compromise or passing over the harder parts.

- **All that you do in obedience to Me bears fruit.** You do not see this fruit, because your mind is more connected with the outcome. You don't realize it, but the journey gives clout to the results.
- I wish I could convince you all that **it is the hidden life that imparts beauty to the outer life.** It is the hidden melody that carries the stream of the anointing. I do not anoint the outside only, unless it is a purely secular endeavor—and I need to use it. But I look for those souls who put an incalculable weight on the life they lead that no one sees.
- Clare went on to describe many of the different things the ministry is doing for the **poor of Taos**, and **Erik the Flutemaker's mission.**

### Honoring Your Husband

#### ~Conquering Resistance – November 11, 2017

synopsis:

- Clare: **I haven't honored my husband the way I should.** I do get irritated when it is not convenient, but then I remind myself how happy I am to have him with me and I correct myself.
- Jesus: What a great treasure he is for you, Clare. Someone to be greatly honored and loved to your utmost capacity. **Not many have the kind of relationship you have together with him.**
- **Love is** not just a thought, a feeling, or spoken word; love is a commitment to do what is inconvenient in such a way that it appears to be the most natural and easiest thing in the world for you.
- Knowing that you have failed in some way is never easy. **This is the test of a man or woman's nature:** how do they interact with difficult and fatiguing circumstances when they know they are under correction? You see, this is good for you, very good for you, because it is causing you to pour more of yourself out selflessly on behalf of another.
- Clare – feelings of **inadequacy** in her progress with her voice.
- Jesus: many scores and scores of Heartdwellers are going through the very same sadness. **They have the gifts, but practicing them goes through elusive periods that are very disheartening.** I wish I had a quick and easy answer, but I don't. All I can tell you, My very dearest ones, is that breakthrough is coming, deliverance is coming, and until then I need you to carry this cross with resolve and dignity. Knowing that this will not last forever, there is an end in sight.
- Often times **I allow these long, hard journeys to harden you off** so your roots will go deep and the heat of life will not dry out the superficial roots. No one can come along and uncover your roots and see them lying just beneath the surface, where they can be easily destroyed by the heat of the day. No, you were wise, you faced the resistance in the hard soil or pavement and penetrated down until you hit good earth.
- **Be grateful for these trials** and come to Me when it seems to be just too much. I will refresh your soul. I will restore you, and I will help you conquer this resistance.

## Jesus

### Being Angry With Him

~At Odds With Jesus – November 3, 2017

- **And all the time your resentment is brewing, 'Gee, Lord, is it really too much to ask?' And now you've entered into bitterness. If you had stayed away from that temptation, you never would have been hurt, spending a lot of time crying. You never would have been wiped out at the end of the day before you even began the work on your keyboard. You never would have lost all motivation—except to find a hole and pout because I wasn't being fair. (full synopsis under **Demons/How They Work**)**

### Grieving Him

~ I Grieved the Lord & Christmas – November 24, 2017

synopsis:

- Clare: got lax and caught up in some Youtube and other 'entertainments' that **wasted time**. When she came into communion, she felt 'dry' with the Lord.
- Jesus: At the first sign of distraction and departing from what you know to be My perfect will, stop yourself, Clare. **Do not allow yourself to play deaf and do it anyway, please.** You have wasted time tonight and you've lost graces.
- **I would rather pick your distractions than have you led away blindly by the enemy, where he can plant things in your head and direct you off course.**
- **What's lacking is your understanding of how I wait for you and how you put Me off for a curiosity... and just how disrespectful that is.**
- Like the Beloved in the Song of Songs, will you to say to Me, 'I have washed my feet, shall I dirty them again to open the door for you?' **She, that night," Jesus continued, "was not worthy of My visitation but rather merited a beating for her presumption.**
- Clare quotes **Song of Song chapter 5**
- Jesus: **That truly is the state of the church.** Many look at what they've done. so that they can rest and find their ease, but forget just how holy I am and how much respect they should have for our prayer times together. Familiarity can cultivate contempt. And for such as these I will not come to the door again.
- Clare: You see, Heartdwellers, when I tell you He chose me because I was so unsuited and so inferior for this job, you think I'm just trying to be humble. But I'm not. **I see this clearly; I am not worthy.** So, **if you feel unworthy, do not be afraid,** do not stand far off from Him. Rather, seek Him until you find Him, break your heart like a vial of costly Myrrh and pour it over His aching Heart. Comfort Him, Heartdwellers, comfort Him in the depths of His heart for all of those who will ignore the even the celebration of His birth.
- The next portion was about **Christmas.**
- There are devout souls all over the world who fast and pray for 30 days to prepare their hearts for baby Jesus to come. **They celebrate His birth** with their own traditions, but more importantly, **they worship Him and thank the Father for this sublime gift of His Son.**
- Jesus: My Clare, when I see a little child holding a baby Jesus doll and putting Him in the manger so tenderly, My Heart wells up with tears. **They are learning the deep significance of this time of giving.** They are seeing and touching this moment in time when My Father made the supreme sacrifice. They are remembering the fresh scent of spruce boughs, the cookies and colored lights and presents. Everything is geared to sublime celebration, for the Gift of all gifts has just been given them.

## Hurting Him

### ~I Hurt My Jesus & Soaking Music is New Age? – November 4, 2017

synopsis:

- Clare: apologized again to Jesus for her behavior yesterday. And He began sobbing...
- Jesus: You realized it was because **I never want to lose you, Clare**. And when things like this happen and there is an accusation against Me, it hurts Me deeply that you don't trust My judgment. I understand it was childish and immature of you, but **you have not seen how many souls I lose in exactly this same way**.
- Something happens in their lives and they don't understand—**so they blame Me**. I understand their thinking. While I didn't create the tragedy, I did allow it and for many that is beyond comprehension. And they go away... some, forever. Some, for the length of their lives. And some cool off and return to Me, knowing My judgment is the best and since I was willing to die for them, they feel they need to die to themselves for Me—and they return.
- Clare: change of subject – the **book Dancing with Angels**. Clare brings up different ways people worship and praise the Lord.
- Jesus: **Cultivate true discernment and you will see My angels dancing in every form of worship that comes from the heart**. With each culture, each changing of the guard and generation, there are revolutions in music. Oh, when will you, who call yourselves My people, stop judging your brothers and sisters on the basis of cultural bias? **When will you stop ripping my Body apart, because it doesn't suit your tastes?** When you do these things, do you imagine that your worship is pleasing to Me? Wash the blood of those you've falsely accused before you offer the sacrifice of praise to Me.
- Clare: discussion **on people labeling music New Age and mixing it with the religion New Age**. Also on judging other people about their tastes in music.

## Judgment

### Of Others Towards Us/Pharisees

#### ~Jesus Clarifies New Age & A-444.4 Tuning – November 6, 2017

- Jesus: **These are the same ones who rejected Heidi Baker** and left her with no resources for the African orphans, because she was mightily touched by My Spirit at the Toronto blessing. Do not concern yourself with these things. They are empty arguments parroted and repeated, because they listened to someone convincing on the Internet.
- These who persecute new concepts in the church are very insecure and lacking in discernment, for it is by the fruit that you know a tree. Look at how many still condemn tongues as coming from the Devil. Those who still accuse Heidi Baker of being "new age" because they operate in the spirit differently than they do, in a way unfamiliar to them or their parents or pastors, and are not taught properly about discernment. **Rather, they are taught the norms of their culture and anything out of 'their' norm is suspicious**. I would grant them the space to investigate for themselves, but they don't. They condemn, because someone else condemned and didn't get to the bottom of it.
- **Clare, you must teach our audience to discern good from bad fruit and to never repeat a bad report**. But if something is suspect, make it an object of study to get to the Truth, or refrain from commenting. But DO NOT parrot people who have no discernment skills and slander the innocent. (full synopsis under **Music Genres**)

I understand it was childish and immature of you, but **you have not seen how many souls I lose in exactly this same way**.
- Something happens in their lives and they don't understand—**so they blame Me**. I understand their thinking. While I didn't create the tragedy, I did allow it and for many that is beyond comprehension. And they go away... some, forever. Some, for the length of their lives. And some cool off and return to Me, knowing My judgment is the best and since I was willing to die for them, they feel they need to die to themselves for Me—and they return.
- Clare: change of subject – the **book Dancing with Angels**. Clare brings up different ways people worship and praise the Lord.
- Jesus: **Cultivate true discernment and you will see My angels dancing in every form of worship that comes from the heart**. With each culture, each changing of the guard and generation, there are revolutions in music. Oh, when will you, who call yourselves My people, stop judging your brothers and sisters on the basis of cultural bias? **When will you stop ripping my Body apart, because it doesn't suit your tastes?** When you do these things, do you imagine that your worship is pleasing to Me? Wash the blood of those you've falsely accused before you offer the sacrifice of praise to Me.
- Clare: discussion **on people labeling music New Age and mixing it with the religion New Age**. Also on judging other people about their tastes in music.

### ~Jesus Clarifies New Age & A-444.4 Tuning – November 6, 2017

synopsis:

- Clare: Lord, **it is very grievous to me when people make remarks like, a particular instrument tuning they are not culturally familiar with is "New Age" of Satan**—even though the evidence is scientific, not just opinion.
- Jesus: **These are the same ones who rejected Heidi Baker** and left her with no resources for the African orphans, because she was mightily touched by My Spirit at the Toronto blessing. Do not concern yourself with these things. They are empty arguments parroted and repeated, because they listened to someone convincing on the Internet.
- **I look on the heart, not the sound of the music**. If they choose a tuning, and are singing TO Me or ABOUT Me – that is what I care about.
- There is truth in science, about frequencies of sound – I made things this way. ALL things are moving. **All things move and live in Me**.
- These who persecute new concepts in the church are very insecure and lacking in discernment, for it is by the fruit that you know a tree. Look at how many still condemn tongues as coming from the Devil. Those who still accuse Heidi Baker of being "new age" because they operate in the spirit differently than they do, in a way unfamiliar to them or their parents or pastors, and are not taught properly about discernment. **Rather, they are taught the norms of their culture and anything out of 'their' norm is suspicious**. I would grant them the space to investigate for themselves, but they don't. They condemn, because someone else condemned and didn't get to the bottom of it.

- Yes, there is an energy coming from stones and various objects – I put it there. **But why would you use a stone to heal, instead of asking Me?**
- The Universe has an order and a harmony and there are thousands of different tunings, Clare. That's why, **when people come to Heaven, they hear sounds they have never heard before.** But who would accuse Heaven as being "new age"???
- **Clare, you must teach our audience to discern good from bad fruit and to never repeat a bad report.** But if something is suspect, make it an object of study to get to the Truth, or refrain from commenting. But DO NOT parrot people who have no discernment skills and slander the innocent.
- **Where the New Agers go wrong is in not ascribing that frequency and its affect to Me, and not worshipping Me—but making that frequency the object of worship.**
- So, My dear ones, be careful to never ascribe science to New Age. It is the way it is used; it is a tool. **I am the Source—if it is a replacement for Me, it is Idolatry.** If it is used the way it was created and intended, to worship and give Me glory, it is merely a tool in the hands of a Christian.

## Obedience

~ Pride... A.G.A.I.N. UGH! – November 27, 2017

- Jesus: But My amendment to that would be, '**One who is truly obedient** does not question why he is told what to do, what the possible results will be, how he could be better; he just complies. If you truly trusted Me, Clare, you would not concern yourself with what others sound like, but stay on the path you are on and let Me introduce you to yourself as I have longed to see you. (full synopsis under **Pride**)

## Prayer

### Alert

## Pride

### ~ Pride... A.G.A.I.N. UGH! – November 27, 2017

synopsis:

- Clare: got caught up in a video of Susan Boyle, which led to more thoughts of **doing things someone else's way**.
- Jesus: You're making steady progress. Do not let anything stop you, Clare. Keep going. Don't relent, don't give in, don't cave in and don't compare. **Please don't compare**. Do you want to lose what is special about My gift to you? Stay true to yourself and Me, Clare.
- Clare, **the enemy tries to make you restless in order to lead you away from center**. He reasons with you, 'Well, you've been so inhibited all these years—you should try to sound like so and so.' He is quite clever, you know. He didn't turn Eden upside-down by being stupid. But he has nothing on Me. That is why I direct you the way I do, because I know what he's after, and if you follow My instructions to the letter you will be safe.
- But My little lamb, if you jump the fence to explore new options...well...I can't restrain you. **I will do nothing against your will**. And most often, it is that willfulness and pride, in the form of, 'Oh, I know what the Lord said.... BUT. It would be fun to just try this out—just for fun.'
- **Quote from St. Francis of Assisi**
- Jesus: But My amendment to that would be, **'One who is truly obedient** does not question why he is told what to do, what the possible results will be, how he could be better; he just complies. If you truly trusted Me, Clare, you would not concern yourself with what others sound like, but stay on the path you are on and let Me introduce you to yourself as I have longed to see you.

### ~ The Pride Seesaw & Leaven of the Pharisees – November 26, 2017

synopsis:

- Clare: **Everything I did was either frustrating or an embarrassing failure** and I could just feel the Lord's loving hand pulling me back.
- Jesus: **Oh, the treasures I will impart to the soul who knows themselves as I know them**. The greatest gifts, the greatest treasures for those who confess the reality of who they are, for those who have the wisdom to ask, 'show me who I am in Your eyes, Lord.' This is a wise request I will never, ever deny.
- Oh, My souls, **when you begin to feel that independent 'I can do it!' attitude well up in you, run to My arms and beg Me to return you to reality**, before I must allow a serious fall. Do this always with Me and I will show you your faults and grant you tears of repentance, forgiving you always. Yes, always. I am so full of forgiveness and a fresh start for you.
- Clare: Dear ones, **it is easy to be so zealous that you fall into pride**: "I'm ploughing ahead and I'm not letting anyone hold me back or stop me. I'M doing this. And I'm showing you how to do it, too, by the way!"
- Jesus: My People, there is **nothing more dangerous than an independent, prideful attitude**. Mostly because it is when you are laying the foundations of a work that you can be filled with this leaven, and it becomes imbedded in the foundation. This will affect everyone you minister to and you will be just another minister pushing Pride—which is what destroys the Body and makes churches void of My Spirit.
- **This truly is the secret of a Godly ministry**. We are doing this together, and you are My humble servant. Protect this truth with all your might, because Satan will not fail to try and embed Pride in your heart. If you are aware and expect it, you will be vigilant to protect it.

~ **The Seasons of Life** – November 17, 2017

- Jesus: In everyone who comes to Me, there are **cycles of breaking and anointing.** Trials and contradictions, obstacles, losses—all of those things are designed to bring you into the maturity of the sons and daughters of God.
- These **times which seem so hard** to you are **actually the times when you grow the deepest and widest,** and that's why they cannot be skipped over.
- What will come forth from those storms and prunings is not known until the springtime.
- **I am bringing you up into a fruitful time.** Some will be garlanded about with new graces and talents; others will receive help weeding and planting the right crops.
- Some of you are experienced the not-so-good birds of the air sweeping down and stealing the seeds right out of your soil.
- But the **evil prince of darkness is not done yet;** he is preparing grasshoppers and beetles to destroy those shoots and consume the larger leaves, leaving them barren.
- **What is the number one way you leave your garden unguarded? Self-love.** Self-love begets attachments, agendas, ulterior motives, while brotherly love begets charity, patience, kindness and a willingness to serve without a reward—other than My happiness with you—and for the good of others. This, indeed, is the secret to lasting happiness and peace. Where there is no attachment, there is no struggle to protect and put forth, only a peaceful river flowing in My grace carrying you to your destination.

- So, to finish what I am saying, My Bride, **you cannot see your beauty as I see it**. For one, I see the completed you in Heaven—and what a sweet fragrance you give off! So, 'when you see good—imitate it' is only good to a point... Reaching for another's gift or identity is self-destructive and will never bring you satisfaction.

### Victories

#### ~ To Agree With Me is Victory – November 14, 2017

synopsis:

- Jesus: **There is no time that you have extended dealings with the world that you are not worse off for it**, and find it harder and harder to hear Me. The world and all that's in it is a dangerous diversion that makes you drift further and further away from Me.
- **My words do not return to Me void**. I know the obstacles. I know the enemy's plans to rip your vocation from you. I know ALL there is to know and I am telling you: nothing will stop this from happening. Just keep on obeying, praying and working with your voice and the piano. Nothing will stop you. Nothing. Is that clear?
- **Nothing has the power to stop what I have ordained**. No matter what they try, it will be fatal to them—not you. They are the failures, not you. They project this thought on you, because they cannot bear to face Satan and tell him they failed again. But there is no power in their words, unless you give them power by agreeing with them.
- Agreement is a powerful influence. **To agree with Me is victory**. To agree with your flesh, when it complains it is tired, or to agree with the enemy when he tries to discourage you—that is where the power is, in your agreement. As long as you stay out of agreement with them, you will be victorious. WE will be victorious.
- My People, you must stay tightly allied with Me in all circumstances. **You must not allow anything to compromise your faith walk or our partnership**.
- **This ability to stay in tune with Me is built into every grace I give you to accomplish your mission**.
- This is why the basis and everything I've taught you on this Channel is about **knowing yourself and discerning the enemy's tactics**. This is why I stress love, self-sacrifice and humility so very heavily.

- This calls for **exceptional self-knowledge and wisdom, and willingness to abandon yourself**, pick up your cross and follow Me. As long as you follow in these, My footsteps, you will conquer the enemy who works through your weaknesses.

### War in America/WWIII

#### ~ Did Marines Storm CIA Headquarters? Yes, They Did – November 29, 2017

- Jesus: **There is not going to be a war.** I give you my solemn word on that. No war. This will not happen; it cannot happen, because My Father will not allow it. No matter what kind of show Kim gives, he is NOT God. He may think he is, a supreme being above all others, but in actuality he is a very little man in pants that are way too big for him and they are coming down to expose his nakedness.
- Yes, this would fit Obama's agenda to a "T" but neither is Obama God, though he would like to proclaim himself as such. (full synopsis under **America**)
