Seventeenth Sunday in Ordinary Time

Second World Day for Grandparents and the Elderly

This weekend we celebrate Grandparents and the Elderly. Please take some time this weekend to thank these important and cherished people who have passed on their faith and wisdom.

Pope Benedict XVI's Prayer for Grandparents

Lord Jesus, you were born of the Virgin Mary, the daughter of Saints Joachim and Anne. Look with love on grandparents the world over. Protect them! They are a source of enrichment for families, for the Church and for all of society. Support

them! As they grow older, may they continue to be for their families strong pillars of Gospel faith, guardians of noble domestic ideals, living treasuries of sound religious traditions. Make them teachers of wisdom and courage, that they may pass on to future generations the fruits of their mature human and spiritual experience.

Lord Jesus, help families and society to value the presence and role of grandparents. May they never be ignored or excluded, but always encounter respect and love. Help them to live serenely and to feel welcomed in all the years of life which you give them. Mary, Mother of all the living, keep grandparents constantly in your care, accompany them on their earthly pilgrimage, and by your prayers, grant that all families may one day be reunited in our heavenly homeland, where you await all humanity for the great embrace of life without end.

Amen

NFP Couples' Stories

"Many will tell you that the responsibility of being permanently faithful to one person is too great and that being open to life is too much of a burden. They say contraception brings with it freedom and life; however, we have found that it is in openness to God, to each other, and to new life that true freedom is obtained. This is what living Natural Family Planning can help couples to experience."

DEVELOPING BABY INFORMATION: Day 1

At the moment of conception, a new and unrepeatable human being comes into existence, complete with her own unique set of DNA. Although she is only one cell, everything about this little person is already present: color of eyes, blood type, the height she will grow to be, color of hair--everything! She will play a role in her family and her community--a role only she can play! Nothing is added after conception to make her a complete human being. She already exists; all she needs is nourishment, a safe, warm environment, and most of all--love. Her parents may not even know she exists yet. Pray for them to safely bring their baby to birth so she can fulfill the mission God has for her.
