

October 10, 2020

Aloha Senior Softball League Coaches,

I have met with my supervisors, and this is the latest update on the Maui Senior Softball League and practices. League play remains on hold. All teams may continue practicing within the guidelines that were effective July 15, 2020. See *Senior Softball Program: Return to Practice Guidelines, Effective June 15, 2020*.

Unfortunately, there has been a number of violations of these guidelines, therefore we have no choice but to apply stricter enforcement. We want everyone to be able to continue practices, so please follow the guidelines. If you are not able to be at the practices, appoint someone on your team to be in charge of monitoring that everyone is following the guidelines.

Please note the following dates:

**December 15, 2020:** end of practices for the rest of the year.

1. New players will NOT be able to practice until January 1, 2021.
2. Any New Team forming will NOT practice together until January 1, 2021.
3. Any current player planning to transfer to different team in 2021 will continue to practice with 2020 team until December 15, 2020.
4. There will be NO players allowed to practice if they are NOT on a current Maui Senior Softball team.
5. Only use 14" softballs at practice.

**December 15, 2020:** rosters and no-fight forms for the 2021 season are due to me.

**January 1, 2021:** players on the 2021 rosters may practice with their teams

Mahalo for your attention to these matters, and if you have any questions, please do not hesitate to call me at: Office 463-3161 or Cell 463-5112.

Sincerely,

Dave Mena
