

Hi Friends,

Hey Y'all!!! My name is Kayleigh, but you can also call me Kay. I am 19 years old and I have just joined the Jump! family at the south location. I can't wait to teach what I have learned from years of training as a recreational and competitive gymnast, while making it FUN! I am a hands-on coach and will dedicate myself to making each of my students feel safe and rewarded.

I used to train at two gymnastic gyms here in Austin every day of the week tackling each skill of gymnastics, while also participating in competitive cheer and soccer at the same time. Outside the gym, I would like to describe myself as family-oriented. I love to spend each day as if it were my last, and that is the kind of energy I will incorporate in my classes.

Fun facts: I own 6 dogs. Participated in FFA while I was in High School and was even an athletic trainer. I love the outdoors. I CANNOT wait to get to know everyone!

-Kayleigh Martin
