What is BPW?

Business and Professional Women PA (BPW/PA) is a statewide organization of 1,500 members in 62 local organizations and 12 districts throughout the state. Organized in 1919, BPW/PA is a leading advocate for working women. We work on all issues that touch women's lives and sponsor programs and scholarships to improve women's lives and careers. One of the first women's organizations to formally endorse the Equal Rights Amendment in 1937, BPW/PA has led the drive for equality ever since. Nationally BPW Foundation has over 30,000 members in more than 1,600 local organizations represented in every congressional district in the country.

BPW is a network of women from all walks of life, coming together for friendships, business contacts, personal growth, and to support women's equality in the workplace.

Latrobe BPW was founded in 1929 and is one of the largest local clubs in the state with 70+ members. We work on mentoring, scholarships, philanthropy, educational, networking and community projects in the Latrobe/Derry areas.
