Meeting Coordinators, Inc., established in 1988, is the largest Association and Meeting Management company in Southeast Michigan, with a large corporate and association client base. Our newsletter is published eight times per year, providing all association client upcoming events, helpful information and success tips regarding corporate meetings and conferences.

The newsletter is distributed to nearly 1,000 meeting and industry professionals and then again, the following month to remind readers about the Meeting Coordinators Meet-up which occurs every other month to share ideas between those who plan meetings, conferences and conventions. Our advertisers are also encouraged to attend Meet-ups.

Now, you too can reach this group every month with an ad in our newsletter, at a very affordable rate! Your ad includes a description of your business and services, your logo and a link to your website.

**Ads are placed between articles to provide you with maximum visibility**

**Event Audio/Visual Partner**

Motown Digital provides a wide variety of Michigan AV Event services solutions that extend well beyond those services typically provided by live event AV providers. We believe the services listed below are no longer "cutting edge" but are standard fare at most major venue events. At Motown Digital, LLC we provide these services with our in-house event development personnel providing our clients a single source solution thus eliminating the added cost and risk of subcontracting.
